by a few faithful retainers he was now on his way to perform that sacrifice Augustus was carried in his litter for he was old and the long stairs to the Capitol fatigued him He held the cage of doves which was his offering Neither priests nor soldiers nor councillors accompanied him only his nearest friends Torch bearers walked in front of him as if to force a way through the darkness of the night and behind him followed slaves carrying the tripod the charcoal the knives the holy fire and everything needed for the sacrifice On the way the emperor chatted gayly with his retainers and none of them noticed the infinite silence and calm of the night It was only on reaching the open place on the top of the Capitol which had been thought of for the new temple that it was revealed to them that something unusual was occurring Man in the Blue Moon Michael Morris,2012-08-17 He s a gambler at best A con artist at worst her aunt had said of the handlebar mustached man who snatched Ella Wallace away from her dreams of studying art in France Eighteen years later that man has disappeared leaving Ella alone and struggling to support her three sons While the world is embroiled in World War I Ella fights her own personal battle to keep the mystical Florida land that has been in her family for generations from the hands of an unscrupulous banker When a mysterious man arrives at Ella s door in an unconventional way he convinces her he can help her avoid foreclosure and a tenuous trust begins But as the fight for Ella s land intensifies it becomes evident that things are not as they appear Hypocrisy and murder soon shake the coastal town of Apalachicola and jeopardize Ella s family **Window Of Tomorrow** Joyce Stewart Smith,2017-11-29 Here is the opportunity for you the reader to get to know the stories of Joyce Stewart Smith In these narratives you can view life as a frightened child an enthusiastic teenager an adventurous bride a working mother a dedicated wife and a fun loving friend all through the eyes of one kind bright soul A soul who lit up every place she has ever entered who never met a stranger and whose laughter embodies joy **Stories from the Blue Moon Cafe II** Sonny Brewer,2003 Presents a collection of short stories from such authors as Tom Franklin Donald Hays Suzanne Hudson and Michelle Richmond A Far Way Home Jack Peters,2025-01-03 When fate severs the bond of a father and son it later exhorts both to undertake a quest for answers in this epic tale of love loss courage and redemption *The Music of Razors* Cameron Rogers,2007-05-01 Dark disturbing and filled with moments of real charm and magic The Music of Razors is the best first novel I ve seen this year Locus In nineteenth century Boston a young doctor on the run from the law falls in with a British confidence artist Together and with dire consequences they bring back to the light something meant to be forgotten A world away in London an absent father haunted by the voice of a banished angel presents his daughter with an impossible friend a clockwork ballerina For two centuries a bullet removal specialist has wielded instruments of angel bone in service to a forgotten power and now he vows to find someone else to shoulder the burden someone with a conscience of their own a strong mind and a broken will For a hundred years he has searched for the perfect contender and now he has found two a brother and a sister Walter and Hope Either will do Last night something stepped from little Walter s closet and he never woke up Now he travels the dark road between worlds no longer entirely boy nor wholly beast but with one goal in mind to

Not Safe, but Good Jerry Jenkins, Sally Jon, Kevin Macnesh, 2007-07-08 In C S Lewis's classic The Lion The Witch and the Wardrobe Lucy asks if Aslan the lion is safe It is quickly clarified that Aslan is not safe but he is good That concept serves as the foundation for this collection of short stories While written from a Christian worldview our goal isn't comfort food for Christians or G rated stories that offer simplistic lessons Instead we're serving up stories sharpened by faith Stories that will engage challenge entertain and stretch the reader These stories aren't necessarily safe but without question they are good The stories in this book from such outstanding Christian writers as Jerry Jenkins Michael Morris Sally John and the editor Bret Lott are by no means safe Like the parables of Christ they surprise unsettle and even shock They depict doubt loss abandonment failure and betrayal as well as elation and triumph But they also deeply and meaningfully explore the human condition in relation to a God who loves us and brings us joy and hope
