## Small Perfect Things:

The Short Story Valerie Shaw, 2014-07-21 Throughout this text Valerie Shaw addresses two key questions What are the special satisfactions afforded by reading short stories and How are these satisfactions derived from each story's literary techniques and narrative strategies She then attempts to answer these questions by drawing on stories from different periods and countries by authors who were also great novelists like Henry James Flaubert Kafka and D H Lawrence by authors who specifically dedicated themselves to the art of the short story like Kipling Chekhov and Katherine Mansfield by contemporary practitioners like Angela Carter and Jorge Luis Borges and by unfairly neglected writers like Sarah Orne Jewett and Joel Chandler Harris

**The Small Stuff of Roman Antiquity** Emily Gowers, 2025-01-21 Why are the small and unimportant relics of Roman antiquity often the most enduring in both material form and our affections Through close encounters with minor things such as insects brief lives quibbles irritants and jokes Emily Gowers provocatively argues that much of what the Romans dismissed as superfluous or peripheral in fact took up immense imaginative space There is much to learn from what didn't or shouldn't matter It was often through the small stuff that the Romans most acutely probed and challenged their society's overarching values and priorities and its sense of proportion and justice By marking the spots where the apparently pointless becomes significant this book radically adjusts our understanding of the Romans and their world as well as our own minor feelings and intimate preoccupations

All These Roads Louis Dudek, 2009-08-07 A passionate believer in the power of art and especially poetry to influence and critique contemporary culture Louis Dudek devoted much of his life to shaping the Canadian literary scene through his meditative and experimental poems as well as his work in publishing and teaching All These Roads The Poetry of Louis Dudek brings together thirty five of Dudek's poems written over the course of his sixty year career Much of Dudek's poetry is about the practice of art with comment on the way the craft of poetry is mediated by such factors as university classes public readings reviews commercial presses and academic conferences The poems in this selection witty satires short lyrics and long sequences reflect self consciously on the relationship between art and life and will draw readers into the dramatic mid

century literary and cultural debates in which Dudek was an important participant Karis Shearer's introduction provides an overview of Dudek's prolific career as poet professor editor publisher and critic and considers the ways in which Dudek's functional poems help both formally and thematically to carry out the tasks associated with those roles Comparing Dudek's reception to that of NourbeSe Philip Marilyn Dumont and Roy Miki Frank Davey's afterword locates Dudek in a pre 1980s version of multiculturalism that is more complex than many critics would have it According to Davey Dudek broadened the limits on the possible range and type of poetry for subsequent generations of Canadian writers Neuman and Baretti's Dictionary of the Spanish and English Languages Henry Neuman,1842 **Spanish and English** Henry Neuman,1849
