Early Childhood Curriculum for All Learners Ann M. Selmi, Raymond J. Gallagher, Eugenia R. Mora-Flores, 2014-08-12
Early Childhood Curriculum for All Learners Integrating Play and Literacy Activities is designed to teach early childhood professionals about the latest research on play and early literacy and then to show them practical methods for adapting this research to everyday classroom practices that will encourage the development of learning skills The authors link solid play based research to specific developmentally appropriate practices By combining these two areas the text demonstrates that academic learning and play activities are highly compatible and that children can and do develop academic skills through play In addition the text focuses on socio dramatic play a recently acknowledged essential aspect of child initiated play interactions It provides specific strategies that link these interactive behaviors with the early academic skills needed for the initial primary grades Implementation of the information presented in this book will enable children to experience a richer transition into primary education classrooms

Developing and Sustaining Play Therapy Clinics Dugan, Erin M., Vaughn, Krystal, Camelford, Kellie, 2019-04-26 Play therapy training clinics are an important aspect of the clinical mental health field An approved play therapy training center should offer direct play therapy services to children and families and provide quality education training research and supervision While each setting may have a set of contractual standards for supervision few offer advice for setting up such approved centers and training clinics Developing and Sustaining Play Therapy Clinics is a collection of innovative research on policies and procedures for university based play therapy clinical settings to help guide practitioners in multiple areas including emergency and crisis situations paperwork requirements and mandated reporting requirements While highlighting topics including adventure therapy clinic branding and playroom design this book is ideally designed for clinic directors psychologists psychiatrists play therapy practitioners academics administrative supervisors and researchers
