Building in Central and before they were sent to the camp a period little covered in previous publications Hence the book is an important primary source for understanding the daily operation of the Stanley Internment Camp and the camp's environment Readers will also learn more about the daily life of those imprisoned in the camp and C G Alabaster's interaction with other prisoners there A prominent figure in pre war Hong Kong Alabaster was one of the leaders of the British community in Stanley Internment Camp His recently discovered journal provides a detailed and candid account of the routines anxieties and hardships of camp life It also offers new insights into the complex politics and divisions among internees With its substantial editorial introduction this book is an important addition to the growing literature on internment during Japan's wartime occupation of Hong Kong Christopher Munn University of Hong Kong Of the many memoirs of the Stanley civilian internment camp this is perhaps the most fascinating and engrossing Written soon after the war and based on a diary it is not only a day by day description of the travails of life in captivity but also more interestingly an account of the inner tensions and divisions that were rampant among the British internees from beginning to end Edward J M Rhoads University of Texas at Austin General Catalogue of Printed Books British Museum.
