Choose Change... Linda Limbers Mitchell,2001 You may have heard the old story about the frog If you put a frog in some cool water he ll be quite comfortable If you slowly heat the water the frog will not jump out even if the water starts to boil because during the slow process of bringing it to a boil the frog adjusts He will be boiled alive because he has become comfortable with his surroundings Don t be comfortable You can change before your crisis becomes too difficult Don t wait until you are boiled alive Choose Change Before Change Chooses You is a simple systematic process to change your live before you are forced to do so by people and circumstances over which you have no control Most people will not change until it becomes more uncomfortable to be where they are than it is to get where they are going This a practical thirteen week process to make living your life what it was meant to be fulfilling joyful and on purpose
