President (2001-2009 : Bush), 2010 Leaders With Substance: An Antidote to Leadership Genericism in Schools Matthew Evans, 2019-10-25 Leadership is an ill defined domain drowning in abstract theories and models of expertise School leadership suffers from this lack of a satisfactory and useful definition of leadership and has of late been drawn in to generic approaches to school improvement which have left the workforce feeling anything but well led How do we put substance back in to school leadership This book draws on the lessons of cognitive science and explores the specific things that school leaders do arguing for a notion of school leadership rooted in the realities of leaders daily experiences It presents a case for how school leaders can develop their expertise and in doing so places domain specific knowledge at the heart of school improvement efforts *Advice from the Presidents* G. Scott Thomas, 2008-06-30 The same skills and strategies can propel an aspiring executive to the top of any organization be it the Podunk High School Student Council the Acme Xylophone Corporation or the government of the United States of America The student council president may be an unpaid volunteer

and the Acme CEO may bark out orders in an office that is rectangular not oval But the paths that lead to those positions are remarkably similar to the trail that ends so gloriously at the front door of the White House Author G Scott Thomas spent two years examining the lives of nearly two hundred presidential candidates winners and losers the famous and the obscure with an eye for the tactics and qualities that served their careers well or damaged them beyond repair He has distilled their experiences into a comprehensive guide to success Advice from the Presidents Thomas s book offers a wealth of advice quotations and anecdotes that are pertinent to any up and coming young man or woman Which strategies for advancement are effective and which are doomed to fail Which personal traits should be emulated and which are detrimental Presidential candidates have learned the answers the hard way earning the education of a lifetime in the gritty cutthroat arena of national politics a field as competitive as any to be found in corporate America And now for the first time their valuable knowledge will be made available to ambitious executives and eager students across the country Readers will learn the seven time tested steps that can transform a would be chief executive or U S President into the real thing Decide upon your long term goal Develop your skills and interests Polish your image and your people skills Organize a network of mentors and helpers Control your inner demons and your opponents Maneuver to improve your position Succeed with grace and serenity In this book readers will follow the career paths of famous American politicians There have been smart presidents and unintelligent ones honest and dishonest ones diligent and lazy ones But all of these master politicians have remarkably different skills and personalities but had one thing in common They all followed the same seven step career plan detailed in Advice from the Presidents And so can any ambitious person in any walk of life

Lauren A. Wright,2016-04-18 White House expert Lauren A Wright identifies explains and measures the impact of the expanding role of presidential spouses in the White House and presidential campaign communications strategy with a focus on the Clinton Bush and Obama administrations More than any other time in history the First Lady now bears responsibilities

tantamount to those of any high ranking cabinet member This fascinating book documents the growing presence of the president's wife in the communications strategies of the last three administrations explaining why their involvement in a campaign has been critical to its survival The book explores how the First Lady serves to persuade public opinion make personal appeals to the public on behalf of the president and promote initiatives that serve as uncontroversial frames for controversial policies The author delves into political discussions about what makes presidents and presidential candidates likable what draws public support to their agendas and why spouses appear to be more effective in these arenas than other surrogates or even the presidents themselves The content features dozens of interviews with former White House staff and communications strategists in depth analysis of almost 1 700 public speeches made by Hillary Clinton Laura Bush and Michelle Obama and surveys testing the effect of public relations strategies involving spouses on political opinion *Time* Briton Hadden, Henry R. Luce, 1929 *Winning Orations* Inter-State Oratorical Association, 1897 *The People's Presidents* Michael Adekale, 2016-05-03 This book is about the Life history of the Clintons including their passion love and caring for the less fortunate members of the world The Clintons life is a lesson that should be taught in every school showing how to confront hatred with love humiliation with humility endurance in spite of constant bullying and how to become a successful and triumphant leader in the face of your enemies No wonder why the whole world loves the Clintons No other president dead or alive have reached the same world recognitions as the Clintons I started writing this book in the 1990 s during the first year of Bill Clinton in the White House It has gone through many publishers for publication before finally getting to Page Publishing Inc The world can look at the Clintons and agree with me that what a man can do a woman can do and do it better Hillary Clinton during the most challenging moment in the presidency of her husband she single handedly saved his presidency and saved the world from losing the greatest president who has ever ruled the US Bill Clinton was envied hated humiliated and targeted for total destruction by his enemies As the secretary of state Hillary had travelled all over the world to ensure peace unity and love among many nations of the world She is the most qualified presidential candidate in the United States and she should be expecting strong attacks from the media and male dominated political aspirants Hillary Clinton is the most well qualified candidate for the US presidency with wealth of both domestic and international experience and connection which will be highly needed during this most dangerous period in the world history
