Included in this text are: How to set up an environment that will allow all English language learners to succeed; Stages of English language proficiency and stages of reading development; how they compare and how to use them to assess and plan for individual children; A focus on tapping into children's prior knowledge in their primary language while teaching reading in English; and using Spanish-English cognates to help develop academic language. A collection of in-depth lessons and mini-lessons based on children's language proficiency and reading strategy needs with ongoing assessment, teacher reflection, and with an emphasis on choosing the right books to match their reading and language level. How to manage numerous guided reading groups with children of all stages of reading and language proficiency. Thematic planning with sample units for primary and upper grades to support academic language and meet content standards.
