Smith's Bible Dictionary Francis Nathan Peloubet, William Smith (L.L.D.), 1990 This is a revision by F N and M A Peloubet of William Smith's classic Bible dictionary Their edition preserves the theological substance of Smith's original work and illuminates it with the insights of more recent archaeological discoveries It describes the more important people and places of the Bible and the major teachings of Scripture and includes Smith's famous 4 000 questions answers **Smith's Bible Dictionary** William Smith, Jr., 1980-01-01 *A Dictionary of the Bible* William Smith, Francis Nathan Peloubet, 1955-10-01 Smith's Bible Dictionary William Smith, 1989-01-01 This classic dictionary features thousands of important word entries with easy to understand definitions and explanations **English Author Dictionaries (the XVIth - the XXIst cc.)** Olga M. Karpova, 2011-01-18 This book is devoted to the description of typical trends in development formation and the present state of English Author Lexicography the roots of which go back to concordances to the Bible and glossaries of the complete works of Chaucer xvi c Part I Linguistic Dictionaries to English Writers presents lexicographic analysis of old and new concordances indices glossaries and lexicons of famous English writers with special reference to Chaucer Milton Shakespeare and Dickens It presents a modern scene of author glossaries for unfamiliar words terms and other groups of writers vocabulary e g Shakespeare's insults and his erotic language The reader is offered a detailed review of author concordances glossaries and lexicons on the Internet along with criticism of printed dictionaries Part II Encyclopedic Reference Works to English Writers deals with English author encyclopedic reference books i e encyclopedias guides and companions dictionaries of characters and place names quotations and proverbs and Internet encyclopedic resources The book also provides a comprehensive list of references on author lexicography and an Index of Dictionaries to the English Writers xvi xxi cc including 300 titles of linguistic and encyclopedic dictionaries which is a reliable user guide in the world of English author lexicography **African American Writers & Classical Tradition** William W. Cook, James Tatum, 2024-05-31 Constraints on freedom education and individual dignity have always been fundamental in determining who is able to write when and where Considering the singular experience of the African American writer William W Cook and James Tatum here argue that African American literature did not develop apart from canonical Western literary traditions but instead grew out of those literatures even as it adapted and transformed the cultural traditions and religions of Africa and the African diaspora along the way Tracing the interaction between African American writers and the literatures of ancient Greece and Rome from the time of slavery and its aftermath to the civil rights era and on into the present the authors offer a sustained and lively discussion of the life and work of Phillis Wheatley Frederick Douglass Ralph Ellison and Rita Dove among other highly acclaimed poets novelists and scholars Assembling this brilliant and diverse group of African American writers at a moment when our understanding of classical literature is ripe for change the authors paint an unforgettable portrait of our own reception of classic writing especially as it was inflected by American racial politics *A Dictionary of the Bible*
