#### Adult Comics

Roger Sabin, 2013-10-11 In a society where a comic equates with knockabout amusement for children the sudden pre-eminence of adult comics on everything from political satire to erotic fantasy has predictably attracted an enormous amount of attention Adult comics are part of the cultural landscape in a way that would have been unimaginable a decade ago In this first survey of its kind Roger Sabin traces the history of comics for older readers from the end of the nineteenth century to the present He takes in the pioneering titles pre First World War the underground comix of the 1960s and 1970s fandom in the 1970s and 1980s and the boom of the 1980s and 1990s including graphic novels and Viz Covering comics from the United States Europe and Japan Adult Comics addresses such issues as the graphic novel in context cultural overspill and the role of women By taking a broad sweep Sabin demonstrates that the widely held notion that comics grew up in the late 1980s is a mistaken one largely invented by the media Adult Comics An Introduction is intended primarily for student use but is written with the comic enthusiast very much in mind
