Responding to Domestic Violence Eve S. Buzawa,Carl G. Buzawa,Evan D. Stark,2015-10-01 This new edition of the bestselling *Responding to Domestic Violence* explores the response to domestic violence today not only by the criminal justice system but also by public and non profit social service and health care agencies After providing a brief theoretical overview of the causes of domestic violence and its prevalence in our society the authors cover such key topics as barriers to intervention variations in arrest practices the role of state and federal legislation and case prosecution Focusing on both victims and offenders the book includes unique chapters on models for judicial intervention domestic violence and health and children and domestic violence In addition this edition provides an in depth discussion of the concept of coercive control in domestic violence and its importance in understanding victim needs Finally this volume includes international perspectives in order to broaden the reader s understanding of alternative responses to the problem of domestic violence **The First Sniper War** Richard Hofing,2011-12-13 Life of American Snipers: Chris Kyle and the Rest of the Elite Snipers Mark Dawn,2015-02-27 American snipers have gained increased popularity after the production of the movie *American Sniper* based on the life of Chris Kyle who served as a sharp shooter in Iraq consecutively for about four periods Sharp shooter is the less common term to describe snipers whose role in history started in the World War Famous snipers have since emerged forming part of the elite Navy Seals While some people refer to snipers as cowards because they do seem to not be actively engaged in combat they have been hailed as heroes due to the reduced misses during combat and the flexibility of their attack to rely on stealth American snipers have played a huge role in eliminating some of the terrorists bent on causing terror around the world Snipers are originally meant to increase the chances of winning a war They do this by neutralizing the most dangerous people in war from a concealed distance and thereby serve to provide an advantage to their side **Sniping Rifles on the Eastern Front 1939-45** Martin Pegler,2019-03-21 The Soviet Union had developed a significant sniping force

by 1939 but the extraordinary skill and cunning displayed by Finnish snipers during the Winter War forced the Soviets to innovate On the other side German sniping suffered from a lack of standardization of weapons and a lack of marksmen deployed at the start of the Great Patriotic War 1941-45 There were few heroes in the conflict but on both sides the snipers were idolized especially on the Soviet side gaining almost mythical status As well as traditional bolt action weapons both sides used several types of semi automatic rifle such as the SVT 38 and the Gew 41 Offering greater firepower at the expense of long range accuracy such weapons would be profoundly influential in the postwar world Fully illustrated this absorbing study investigates the development of sniping weapons and techniques on World War II's Eastern Front
