Loved and Lost is inspired by many real life incidents from the author's life converted into a fictional story. This book will take you to your school life where everyone has their own stories whether it's their first love or first heartbreak. The author's motive is to take the readers to their best period of time which is their school life. *See No Evil* B.A. Shapiro, 2014-04-01

From the bestselling author of *The Art Forger*, *See No Evil* is a supernatural thriller about witchcraft, reincarnation, and murder in Cambridge, Massachusetts. Lauren Freeman, a graduate student writing a book about American witch trials, touches the worn leather binding of *The Chronicle of the Coven* and sees a flash of knives and hears a strange chorus of voices in her head. At first, Lauren is undeterred, but when her professor is killed, everything changes. After her son's kidnapping, multiple murder attempts, and a chase through labyrinthine subway tunnels, Lauren finally confronts the perpetrator of these horrific events and acknowledges that even in the everyday things are often not as they seem.

See No Evil is a supernatural thriller about witchcraft, reincarnation, and murder in Cambridge, Massachusetts. The story opens as Lauren Freeman touches the worn leather binding of *The Chronicle of the Coven*. She sees a flash of knives and hears a strange chorus of voices in her head. Lauren is undeterred. A newly divorced single mother, she is a graduate student in history, writing a book about American witch trials with her professor, Jackie Pappas. Lauren needs the money the book will bring. Its focus is a mysterious event that took place in 1692 when seven convicted witches vanished from their prison cells on the eve of their executions and were never seen again. Lauren and Jackie's research begins to uncover bizarre reports. Then suddenly, Jackie is dead, and Lauren is left to write their book alone. Lauren knows that Jackie was murdered and that if she is not careful, she will be next. Lauren's battle to avenge Jackie's death and save her own life takes her from Wiccan festivals to ancient cemeteries to the bowels of dark libraries. After her son's kidnapping, multiple murder attempts, and a chase through labyrinthine subway tunnels, Lauren finally confronts the perpetrator of these horrific events and acknowledges that even in the everyday things are often not as they seem.

See No Evil pits an intrepid historical researcher against folktales of witchcraft and reincarnation in a suspenseful tale reminiscent of Ira Levin's *Rosemary's Baby*. It will keep you on the edge of your chair. Be sure to read this one with all the lights turned on.

The Armchair Detective: Shapiro exhibits great talent at characterization. The book is well paced, and the entire story is engrossing. I enjoyed *See No Evil* immensely.

Mystery News: This masterpiece encompasses an array of thrilling elements: danger, witchcraft, history, love, and suspense. The story is eerie and seductive, and the author magically ends almost every chapter with some kind of shock.

Gothic Journal: Barbara Shapiro has achieved notice as a master of mystery. The Boston Globe on *The Safe Room*: B.A. Shapiro is the author of the New York Times bestseller *The Art Forger*; five additional

novels four screenplays and a nonfiction book She is the recipient of the 2013 New England Book Award for Fiction a 2013 Massachusetts Must Read Book award and a 2012 Boston Globe Best Crime Book award Shapiro was also nominated for a 2013 Massachusetts Book Award She lives in Boston and is working on her next novel **Scientific American** ,1882
