

A woman with long hair, wearing a long, flowing, light-colored dress with a pinkish-red sash, is running across a grassy hill. She is moving from left to right, and her hair and dress are in motion. In the background, there is a body of water (the ocean) under a clear sky, with some dark foliage on the left side of the frame.

Miss Morgan's Love Returns Aurora Klimanoski,2013-09-19 Miss Morgans love returns Are you one of those people who have been taught to always do what was good for the family Everything you do is a reflection on your family from the way you dress how you act in public those you hang around with to what you choose to do in life It can all be suffocating

That's was the world Jacqueline Morgan was brought up in For years she had been the perfect daughter doing everything she was told without making waves or even a ripple of trouble that would have disappointed her parents She couldn't she was the chosen daughter to take over the family business when it was time She envied her little sister and the freedom she had to live her life with carefree adventures More than anything Jacqui wanted to experience a little freedom herself before devoting her life to the family business She gathered all her courage the summer before she was going to enter college and plead with her father to let her have a few weeks to blow off some steam On her first day of freedom Jacqui found herself standing on a dock letting the warm ocean wind blow through her hair and she was happier than she had been in years That was also the first time she laid eyes on Azmyth He was unlike any of the boys she knew in her life He was handsome in a rugged way and full of life and passion not stuffy and extremely controlled and held down by responsibilities Azmyth was on vacation at his cousins and enjoying some afternoon fishing when Jacqui stepped out on the pier and stole his attention He never saw anyone as beautiful as she was and instantly wanted to get to know her better so he asked her out In the days that followed Jacqui and Azmyth met for afternoon dates bringing them even closer She really liked him and felt a very strong connection with him unlike anything she ever felt before Jacqui didn't let anyone know what she was doing not even her sister because she knew that her father wouldn't approve of Azmyth That alone seemed to heighten her need to explore the relationship further She was experiences all kinds of adventures with Azmyth including her first kiss that made heat flood her body and her toes curl in her shoes It didn't take long for Jacqui to fall head over heels for him Things heated up quickly between the young couple and Jacqui decided she wanted to experience a deeper intimacy before she went off to college and she wanted it to be with Azmyth It was a night she would never forget and for more than the magical time she had with Azmyth When she got home that night the magic ended and disaster hit Her parents came home early and discover her sneaking back into her bed room and all hell broke loose Her perfect night ended in her being torn away from Azmyth forever with no way of contacting him to explain what had happened Eleven years passed and Jacqui had become a driving force in the family business She works all the time and rarely takes time to enjoy life's little pleasures and relax A fact that has her sister and friends afraid that she will burn herself out and they gang up on her insisting she joins them on vacation Jacqui is hesitant to join them after all the last time she indulged in fun and freedom everything in her life had come crashing down on her When the group of friends arrived on the private island Jacqui changes her mind about having a good time and begins to relax Then as if fate decided to torture her the one person she never thought she would see again but had haunted her more intimate dreams walks into the bar her and her friends were at Just laying eyes on Azmyth again after so many years Jacqui's pulse started to race Even in her wildest dreams she never pictured that he would look even more gorgeous than she remembered Jacqui and Azmyth reunion isn't what he expected it would be when he first saw him walking towards him She's different from the girl he once knew but still kind of the same and the spark
