Power, Politics, and Change Osho, 2011-04-12 *Power Politics and Change* takes on the conventional wisdom that power corrupts and proposes instead that those who seek power are already corrupt Once they attain their goal their corruption simply has the opportunity to express itself That's why even those who seek power in order to bring about radical change so often fail despite their best intentions Osho looks at where this will to power comes from how it expresses itself not only in political institutions but in our everyday relationships In the process he offers a vision of relationships and society based not on power over others but on a recognition of the uniqueness of every individual *Power Politics and Change* includes an original talk by Osho on DVD This visual component enables the reader to experience the direct wisdom and humor of Osho straight from the source The Osho Life Essentials series focuses on the most important questions in the life of the individual Each volume contains timeless and always contemporary investigations and discussions into questions vital to our personal search for meaning and purpose focusing on questions specific to our inner life and quality of existence

The heavenly footman. Solomon's temple spiritualized. The acceptable sacrifice. Sighs from hell. Come and welcome to Jesus Christ. A discourse upon the Pharisee and the publican. Of justification by an imputed righteousness. Paul's departure and crown. Of the Trinity and a Christian. Of the law and a Christian. Israel's hope encouraged. The life and death of Mr. Badman. The barren fig-tree. An exhortation to peace and unity. One thing is needful John Bunyan,1767

Beyond the Shelley Circle Sharon L. Joffe, 2025-07-25 Beyond the Shelley Circle The Clairmont Family and Its Descendants will interest Shelley circle researchers life writing scholars and nineteenth century historians alike The Clairmont family's connection to Mary Shelley began in 1801 when her father William Godwin married Mary Jane Vial The combined family then included the future author of Frankenstein plus her half sister Fanny who had been left motherless by the death of Mary Wollstonecraft and Vial's two children Charles and Claire Clairmont a fifth child William Godwin Junior was born in 1803 In 1816 Mary would marry Percy Shelley thereby creating the extended Wollstonecraft Godwin Shelley Clairmont kinship circle Despite the often difficult relationship between Vial and her stepdaughters the children in the blended family were close into adulthood Beyond the Shelley Circle traces this history and that of the Clairmont family into the twenty first century through various personal writings It includes in German transcription and English translation with editorial notes the previously unpublished journal of Ottilia Clairmont the wife of Charles's son which describes her life in the Banat region in the 1860s It uses this document and others for a fulsome discussion of life writing in the period among women and in literary circles The book further connects
