## So Unexpected:

Shot Through The Heart Linda Porter, 2008-07 Linda Porter the author of *Angels Beings of Light* has returned along with her merry band of angels known as Us This time the tale is so mystical so seemingly mythological that you would swear it is a fictional account But it is not It is a story about finding the Light in unexpected places and in unexpected faces a chronicle of one woman's journey further into the Light than she could ever have imagined When describing her unusual journey Linda says I believe that God creates the path that is best suited to each of us I acknowledge that God frequently has to take me off the beaten path and even though I don't always understand the ways of others I try to honor them Who am I to disagree Join her as she chronicles her ongoing spiritual journey with entries as varied as Wrestling with Angels Speaking from the Heart Vampires as a Path to God The Light Moving Beyond the Pain The Dalai Lama and more Most are accompanied with angelic commentaries of course This story could not have been written without them You might want to fasten your seat belt The angels have promised a wild ride but a safe and loving journey Enjoy Indulge Learn Cover design by Matt Porter For more information please email [info@mathewporter.info](mailto:info@mathewporter.info) Hilarion's Asse Anne Bandry-Scubbi, Peter de Voogd, 2014-08-11 The humour of Tristram Shandy has often been acknowledged but it is not easy to find scholarly articles on Laurence Sterne which suggest that their authors laughed as they wrote Nine authors have been invited to redress this in the year of the tercentenary of Sterne's birth This volume offers nine different facets of humour a kaleidoscope which enables readers to recombine at will the genial the bawdy the sentimental the ludicrous the hobby horsical the philosophical the irreverent the incongruous and the facetious sending the text spiralling out of the page **Swimming Against the Current in Contemporary Philosophy** Henry B.
