THE POWER OF THE YOKES Carlton Foster, 2024-06-26 THE POWER OF THE YOKES allows you to tap into deeply hidden emotions and gives you a new perspective on how the enemy can entrap you Every unconfessed sin creates an open door for you to be yoked by Satan It teaches you that God may not spare you from pain but He will never abandon you God uses your pain to mold you and prepare you for a harvest This book reassures you never to give up and that even when it seems like God is silent He is holding you in the palm of His hands When you are yoked you are only a shadow of who God says you are The things that yoke you do not define you but build character in you Everything that happens to you as a child affects and carries through the rest of your adult life

Nothing Lasts Forever Dr Anniekie Ravhudzulo, 2010-11-18 When night comes look at the sky If you see a falling star don't wonder why just make a wish Trust me it will come true because I did and found Jesus Christ Sometimes we think that things will never change in life I

don't know anyone who has not yet experienced pressure of one kind or another in life. It may raise its head swiftly and unexpectedly. Or we may see and feel it coming slowly but surely like a slight crack in the wall of a building going up or down. You might arrive late for some event and miss something special. This is a minor pressure and it usually does not last long; it's an everyday occurrence that does not really matter very much. There are many such pressures. On the other hand, the pressure of realising that the dream you had has failed to come true may overcome you. You may feel depressed because of the loss of your spouse, the chaos in the workplace, the loss of friends, or the insincerity of those you considered friends, a lack of understanding on the part of your family, heartache that never seems to end, or feeling that God does not hear your prayer. There are more types of pressure than there is grass growing on the plains of the Highveld. Do not give up when you still have something to give. I know that through Christ I am strong enough to make all my dreams come true. I know love, therefore I give love. I recognise that my love has great value and must be reciprocated. If my unconditional love is taken for granted, it doesn't disappear. I am quite capable of articulating my needs. I know that with God, the world is my playground, but without God, I will just be played with. I understand that my life experiences are merely lessons meant to bring me closer to self-knowledge and unconditional self-love. I know that I will at times have to inspire others to reach the potential God gave them. I know my past, understand my present, and face my future. I am not afraid of tomorrow for I have seen yesterday and I love today. Jim Rohn says that happiness is not something you postpone for the future; it is something you design for the present.

Country Life, 1904 *The Majesty of an Eagle* M. A. Monareng, 2012-09 Dr Monareng holds the eagle in high regard. Integrity and positive attitude are the values required to overcome the storms of life as eagles do. With his great attitude, the eagle adapts to change, is patient, and is able to focus on his prey due to his determination and sense of purpose. Like eagles, man can leave his comfort zone, work hard, and finish what he started. Moral degeneration has stolen man's glory. He must respect his family and die being in the hands of God, as do eagles, which die facing the sun with their talons on the rock, which symbolises Christ. Current Literature, 1895 Current Opinion Edward Jewitt Wheeler, Frank Crane, 1910 Country Life in America, 1911 Soar Roger L. White MD, 2010-03 Dr White, a well-known cardiologist, has written this timely book to help people improve both their physical and spiritual health. It involves a systematic approach to evaluate physical health, nutrition, fitness, and quality of relationships. His perspective as a cardiologist is unique. He relates stories from his experience regarding real patients and how they either improved their health when faced with challenges and SOARED or did not. This creates empathy for the reader and makes it an interesting read. The book is full of many practical suggestions for health improvement, and it is not a dull encyclopedia of medical facts. It comes alive with patient examples. If you want to see your doctor less and enjoy life more, this is a must-read for anyone interested in prevention and optimal health.
