Textiles and Industrial Transition in Japan Dennis L. McNamara,2019-05-15 Most of Japan s leading textile firms date back to the turn of the century Unlike many of their Western competitors however Japan s larger companies have survived the decline of a sector consumed by fierce international competition Providing the fullest English language account of Japanese textiles Dennis L McNamara explores the entire sweep of the industry from factory to high fashion brokerage to policymaking circle Tracing the strategies by which the textile industry has survived he provides a distinctive view of Japanese capitalism in a climate of change McNamara reconstructs a world riven by the competing interests of state and capital firm and industry labor and management mill and merchant We encounter giant mogul companies and upstart independent mavericks such firms as Toray Toyobo Itochu Tsuzuki Kondobo Onward and Renown all hustling to restructure for survival Drawing on extensive interview data as well as recent Japanese and English language work in political economy and social anthropology McNamara describes a dynamic of competition between moguls and mavericks in a turbulent business torn by divisions but bound together by compromise He finds that despite enormous international pressures the industry has maintained much of its market share largely because state bureaucrats and leaders of major firms have managed to create a cooperative politics of adjustment A corporatist structuring of interests he concludes has helped to moderate decline and maintain stability permitting survival among the moguls without preventing the successful participation of mavericks
