Social Attitudes in Northern Ireland Richard

Breen, Paula Devine, Gillian Robinson, 1995 **Contemporary Northern Irish Society** Colin Coulter, 1999-10-20 This is a critical overview of the various sources of social and political identity in Northern Ireland The book examines the key variables of sociology status class and gender and in this case ethno religion and explains why ethno religious sentiment has become the principle source of political identity A range of themes are covered the role and status of women the representations of the conflict and peace process in the media sport and the importance of popular music **Culture and Identity Politics in Northern Ireland** Máiréad Nic Craith, 2003-05-02 Civilization and culture have traditionally been regarded as mutually exclusive concepts In this comparative case study of Northern Ireland M ir ad Nic Craith explores the commitment of unionists to a civic culture blind British state contrasting this with nationalist demands for official recognition of Irish culture The cultural turn in Northern Irish politics and the development of a bicultural infrastructure is examined here in the context of differing interpretations of equality and increasing demands for intercultural communication within as well as between communities The Routledge Handbook of the Northern Ireland Conflict and Peace Laura McAtackney, Máirtín Ó Catháin, 2023-11-13 The Routledge Handbook of the Northern Ireland Conflict and Peace is the first multi authored volume to specifically address the many facets of the 30 year Northern Ireland conflict colloquially known as the Troubles and its subsequent peace process This volume is rooted in opening space to address controversial subjects answer key questions and move beyond reductive analysis that reproduces a simplistic two community theses The temporal span of individual chapters can reach back to the formation of the state of Northern Ireland with many starting in the late 1960s to include a range of individuals collectives organisations understandings and events at least up to the Good Friday Belfast Agreement in 1998 This volume has forefronted creative approaches in understanding conflict and allows for analysis and reflection on conflict and peace to continue through to the present day With an extensive introduction preface and 45 individual chapters this volume represents an ambitious expansive interdisciplinary engagement with the North of Ireland through society conflict and peace from a wide range of disciplinary perspectives theoretical frameworks and methodological approaches While allowing for rich historical explorations of high level politics rooted in state documents and archives this volume also allows for the intermingling of different sources that highlight the role of personal papers memory space materials and experience in understanding the complexities of both Northern Ireland as a people place and political entity The Need for New and Acceptable Policy in Northern Ireland United States. Congress. House. Committee on International Relations, 1999 **The SAGE Handbook of Identities** Margaret Wetherell, Chandra Talpade Mohanty, 2010-04-14 Increasingly identities are the site for interdisciplinary initiatives and identity research is at the heart of many transdisciplinary research centres around the world No single social science discipline owns identity research which makes it a difficult topic to categorize The SAGE Handbook of Identities systematizes this complex field by incorporating its interdisciplinary character to provide a comprehensive overview of its themes in contemporary research while still

acknowledging the historical and philosophical significance of the concept of identity Drawing on a global scholarship the Handbook has four parts Part 1 Frameworks presents the main theoretical and methodological perspectives in identities research Part 2 Formations covers the major formative forces for identities such as culture globalisation migratory patterns biology and so on Part 3 Categories reviews research on the core social categories which are central to identity such as ethnicity gender sexuality disability and social class and intersections between these Part 4 Sites and Context develops a series of case studies of crucial sites and contexts where identity is at stake such as social movements relationships and family life work places and environments and citizenship

Research With Children Pia Christensen,Allison

James,2012-10-02 Research with Children is a unique resource book on the methodology of childhood research Leading and new researchers within the social studies of childhood discuss central questions of epistemology and methodology demonstrating the links between theory and practice The theoretical and practical questions are set out in a clear and well argued fashion and will therefore appeal both to the newcomer to childhood studies and to experienced researchers in the field

Early Childhood Education and Care Margaret M Clark,Tim Waller,2007-05-14 A much needed book that uniquely brings together policy and practice in early childhood education and care across the United Kingdom and the Republic of Ireland It offers a wealth of information and useful websites and addresses so that importantly readers can keep abreast of the rapidly changing external environment in these countries An essential read for those wishing to understand the background to policy and practice in early childhood education and care Linda Miller The Open University This book is long overdue it provides effective cameos of developments in each country highlighting key legislation the underlying philosophy the formation of policies and thier implementation in state voluntary and private provision The International Journal of Early Childhood This unique resource will be invaluable in helping students and others trying to understand the context of current early years provision The case studies bring the book to life and ground it in the stories of real children and their families They highlight how the similarities and differences in support for children and their families are more dependent on where they live than what they need Lesley Staggs Early childhood education and care policy has an impact on the daily lives of early years practitioners and the families and children they work with and practising and trainee early childhood professionals need to have an understanding of current policy as well as the contexts for policy making and implementation Currently the majority of textbooks for early years education and early childhood students in the UK focus on the situation in England As a result readers may have a skewed perspective on policy and practice and not be aware of the

varying and different contexts in Northern Ireland Scotland and Wales Also those working in settings not in England have to work hard to apply texts to their own contexts In contrast this book gives the reader easy access to information on the policies and practices in ECEC across each of the countries in the UK and the Republic of Ireland Each chapter covers o background information o policy and practice in early childhood education and care o transition o schooling and curriculum o quality assurance examination and inspection o professional development and training o future and imminent changes o case studies of children s lives In addition to describing the legislative political and practical situation in each country the book enables comparisons to be drawn and helps readers interpret the data critically It will be essential reading for modules on comparative education and international perspectives but will also form a foundation for all modules involving policy and provision on Early Years Education Early Childhood or Childhood Studies courses Practitioners undertaking CPD modules or foundation degrees and international students looking for comparative data will also find the book useful

Political Issues for the Twenty-First Century Mark Cowling, 2017-07-05 Assembling accessible and informative essays on contemporary debates and future issues in politics this rewarding volume focuses on political developments in UK European and international issues and modern theoretical debates and problems Each essay establishes the historical context before providing a speculative analysis of possible future developments The collection presents a range of challenging and provocative accounts that deal with some of the most delicate complex and fundamental issues that affect people living in Western Europe in the twenty first century
