Song Of The Water Saints:

Song of the Water Saints Nelly Rosario, 2007-12-18 This vibrant provocative debut novel explores the dreams and struggles of three generations of Dominican women Graciela born on the outskirts of Santo Domingo at the turn of the century is a headstrong adventuress who comes of age during the U S occupation Too poor to travel beyond her imagination she is frustrated by the monotony of her life which erodes her love affairs and her relationship with Mercedes her daughter Mercedes abandoned by Graciela at thirteen turns to religion for solace and after managing to keep a shop alive during the Trujillo dictatorship emigrates to New York with her husband and granddaughter Leila Leila inherits her great grandmother Graciela's passion driven recklessness But caught as she is between cultures her freedom arrives with its own set of obligations and dangers

The Image of the River in Latin/o American Literature Jeanie Murphy, Elizabeth G. Rivero, 2017-12-20 Although fictional and often fantastic representations of nature have been a distinguishing feature of Latin American literature for centuries ecocriticism understood as the study of literature as it relates to depictions of the natural world environmental issues and the ways in which human beings interact and identify with their natural surroundings did not emerge as a field of scholarly interest in the region until the end of the twentieth century This volume employs an ecocritical lens in order to explore and question the use of the river imagery in Latino and Latin American literature from the colonial period to our modern world creating a space in which to examine both its literal and figurative meanings associated as much with processes of a personal nature as with those of the collective experience in the region The slow meandering streams of nostalgia the raging currents of conflict or the stagnant waters of social decay are just a few of the ways in which the river has become an important symbol and inspiration to many of the region's writers This book offers a diverse collection of writings that through a trans historical and trans geographical perspective allows us from the vantage point of the twenty first century to reflect on the rich and dynamic image of the river and by extension on the vital context of Latin o America its people and societies

Narrative Kathy Leonard,2003-08-30 There has been a dramatic increase in the amount of narrative work published by Chicana and Latina authors in the past 5 to 10 years Nonetheless there has been little attempt to catalog this material This reference provides convenient access to all forms of narrative written by Chicana and Latina authors from the early 1940s through 2002 In doing so it helps users locate these works and surveys the growth of this vast body of literature The volume cites more than 2 750 short stories novels novel excerpts and autobiographies written by some 600 Mexican American Puerto Rican Cuban American Dominican American and Nuyorican women authors These citations are grouped in five indexes an author title index title author index anthology index novel index and autobiography index Short annotations are provided for the anthologies novels and autobiographies Thus the user who knows the title of a work can discover the author the other works the author has written and the anthologies in which the author s shorter pieces have been reprinted along with information about particular works Essays Susan Roberson,2013-08-12 Positioning the Caribbean within the complexes

of the world community this collection uses the metaphor of the global Caribbean to discuss the multiple movements identities epistemologies and politics of the West Indies Examining the processes of the transnational transport of peoples languages and literatures between the Caribbean Africa Europe and North America the essays look at the complexities of geographical intellectual and artistic migrations at the ways Caribbean writers negotiate the construction of literary and political identities and the ways in which the Caribbean influenced writers and thinkers in North America or Europe These kinds of reciprocal exchanges locate the islands of the Caribbean within a global context as recipients of multi and trans national influence and as makers of transnational meaning Building on the dynamic processes of globalization this collection suggests that the Caribbean provides a perspective for thinking about multiple intercultural connections with the Caribbean that include antebellum New Englanders the Jews of twentieth century Europe literary artists of seventeenth and eighteenth

century England and France and modern pleasure seekers A culturally and linguistically rich region of the world the Caribbean also provides a fascinating literature of its own that is complicated by its history of migration and colonization as well as by its location between continents

Negotiating Latinidades, Understanding Identities within Space Kathryn Quinn-Sánchez, 2015-02-05 Preconceived ideas attached to space limit the ways in which the concept can be envisioned This edited collection explores many different types of space including exile which prohibits one's ability to return home transnationalism which encourages movement between national borders typically due to dual citizenship the borderlands which implies legal and illegal crossings and finally the open road as metaphor for normative heterosexual masculinity At issue in all of these representations is the role of freedom to self define and travel freely across barriers that exist to deter entry

Women Warriors of the Afro-Latina Diaspora Marta Moreno Vega, Marinieves Alba, Yvette Modestin, 2012-04-30 Hers is one of eleven essays and four poems included in this volume in which Latina women of African descent share their stories The authors included are from all over Latin America Brazil the Dominican Republic Haiti Panama Puerto Rico Venezuela and the United States They write about the African diaspora and issues such as colonialism oppression and disenfranchisement Diva Moreira a Brazilian writes that she experienced racism and humiliation at a very young age The worst experience she remembers was her mother's boss's conviction that Diva didn't need to go to school after the fourth grade because blacks don't need to study more than that

Nothing but Love in God's Water Robert Darden, 2014-10-21 The first of two volumes chronicling the history and role of music in the African American experience Nothing but Love in God's Water explores how songs and singers helped African Americans challenge and overcome slavery subjugation and

suppression From the spirituals of southern fields and the ringing chords of black gospel to the protest songs that changed the landscape of labor and the cadences sung before dogs and water cannons in Birmingham sacred song has stood center stage in the African American drama Myriad interviews one of a kind sources and rare or lost recordings are used to examine this enormously persuasive facet of the movement Nothing but Love in God s Water explains the historical significance of song and helps us understand how music enabled the civil rights movement to challenge the most powerful nation on the planet

Cultural Dynamics of Water in Iranian Civilization Majid Labbaf Khaneiki,2020-09-23 This book traces water back to the most primitive animistic notions that are still lingering on in the shape of such rituals as qanat marriage or rain making Water in the Iranian philosophy is used in an attempt to find an explanation for the genesis of the universe as described in Zoroastrian Akhshij philosophy according to which water is one of the four fundamental elements of the creation The concept of time began to germinate in the Iranian mind when they had to count the passage of time in order to divide their scarce water resources Water became so omnipresent in Iranian culture that it reached even the most mysterious seclusion of the Sufi monks In Iran s local communities water culture is a thread that runs through different types of production systems This book goes beyond indigenous water knowledge and traditional irrigation techniques and conceptualizes water as a pivotal element of Iran s social identity cultural dynamics and belief systems where it examines the role of intermittent droughts in engendering and diffusing intangible cultural elements across the Iranian plateau This book delves into Iran s political organizations most of which were ensnared in a water dependent lifecycle constituting a historical pattern described in this book as hydraulic collapse

Song Of The Water Saints: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have charmed audiences this year.

The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph.

Song Of The Water Saints : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting.

These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
