Children of Color Hiram E. Fitzgerald, Barry M. Lester, 2019-09-16 By the year 2050 the population of the United States is projected to be approximately half white and half non white Yet the knowledge of child development within ethnic minority groups lags markedly behind knowledge of child development for white Americans and it is increasingly clear that the rich diversity within minority groups is masked by studies focusing on between group comparisons *Children of Color* Research Health and Public Policy Issues a collection of original essays brings together researchers from the fields of education family and child ecology nursing psychology sociology pediatrics anthropology and social work to explore the rich cultural familial and individual diversity of all ethnic minority groups The essays were generated by round table discussions sponsored by the Society for Research in Child Development and the Irving Harris Foundation and they cover a broad range of topics including immigration policy social policy health status of immigrant infants children and families and educational policies related to minority children

The Mythology of the Animal Farm in Children's Literature Stacy E. Hoult-Saros, 2016-07-21 The Mythology of the Animal Farm in Children s Literature Over the Fence analyzes the ways in which myths about farmed animals lives are perpetuated in children s materials Specifically this book investigates the use of five recurring thematic devices in about eighty books for young children published during the past five decades The close readings of texts and images draw on a wide range of fields including animal theory psychoanalytic and Marxian literary criticism child development theory histories of farming and domestication and postcolonial theory In spite of the underlying seriousness of the project the material lends itself to humorous and not overly heavy handed explications that provide insight into the complex workings of a literary genre based on the covering up of real animal lives
