Virginia, Lucretia, and the Medieval Livy Noah D Guynn,David F Hult,Elizabeth Scala,2025-01-14 The tragic stories of Lucretia and Verginia taken from the fourteenth century French version of Livy s History of Rome presented with facing page English translation Livy was famous in the Middle Ages for what Dante called his unerring history of Rome Within that history two episodes were especially well known both promoting female virtue while also suggesting how sexual violence could trigger political change Lucretia commits suicide after her rape precipitating the fall of the monarchy Verginia is murdered by her father who prefers to see her die than be seized by the corrupt judge Appius her death then inspires an uprising that overthrows the decemvirs republican officials who abused the very laws they had codified While these stories circulated widely in the medieval period access to the Latin Livy was impeded by a scarcity of manuscripts There is nonetheless evidence that some poets notably Chaucer and Gower knew Livy through the Tite Live a French translation by Pierre Bersuire that was completed around 1358 and borrowed from it for their own works There are many manuscripts of the Tite Live though little of it is available to modern readers This book helps fill that gap by supplying critical editions and English translations of Bersuire s Verginia and Lucretia episodes along with those in the Roman de la Rose by Jean de Meun one of the earliest vernacular writers to show interest in Livy Each text features a substantial critical apparatus which glosses difficult terms and concepts and elucidates historical events and social contexts while an introduction provides other contextual information **Littell's Living Age** ,1855 The Living Age ,1900 **The Garden Journal of the New York Botanical Garden** ,1958 Environmental Health Perspectives ,1993 **Media Anthropology** Eric W. Rothenbuhler,Mihai Coman,2005-05-05 Media Anthropology is an interdisciplinary reader that represents a convergence of

issues and interests on anthropological approaches to the study of media While other books on this topic examine traditional anthropology and push that field toward the media in this book editors Eric W Rothenbuhler and Mihai Coman take a novel approach by analyzing media studies and guiding that field toward anthropological thinking This anthology charts media anthropology as a field of study and provides examples of current research that identify its major concepts and methods in chapters written by leading scholars from several countries and academic disciplines Key Features Offers original articles and a few selected reprints from leading worldwide scholars in a variety of academic disciplines to provide the most integrated treatment of this interdisciplinary topic Contains introductions that set the context for articles written from varying points of view Includes a Theory into Practice section that shows how anthropological concepts and methods can improve the teaching and practice of media studies Makes the relevant literature accessible in an up to date and even handed organization offering students a broader understanding than they could obtain from other books which are primarily anthropological in disciplinary orientation Media Anthropology is an excellent textbook for undergraduate and graduate students studying media anthropology in communication and media studies journalism anthropology sociology and cultural studies programs

September's Camera Jeffrey Scarborough,2007-03 Jeff Scarborough was the only cameraman on duty at WNBC s newsroom in New York when the attacks of 9 11 began Armed with privileged information from the 93 attack on the World Trade Center realizing both towers were doomed Jeff pulled out of an emergency convoy just short of the WTC as he and reporter Rob Morrison approached the burning towers Taking charge at the scene Jeff ordered live truck engineer Eddie Alonzo to stay 500 feet away and told all responding crews to back off dangerously becoming NBC s sole cameraman broadcasting live from Ground Zero He permitted only the live shot reporter to join him at his camera position and during their live broadcast the South Tower collapsed They ran for their lives Jeff rescued Eddie and stayed to videotape the panic and the North Tower collapse September s Camera is the story of that fateful day and of a career lived on the edge of danger as Jeff s lens captured conflict urban riots blackouts serial killers plane crashes and human frailty in all its forms

The Encyclopaedia Britannica: Aus to Cal ,1910 **The Encyclopædia Britannica** ,1911 The Encyclopaedia Britannica Коллектив авторов,18?? September Swoon William C. Kashatus,2004-01-30

Everything seemed to be going the Phillies way Up by 6 1 2 games with just 12 left to play in the 1964 season they appeared to have clinched their first pennant in more than a decade Outfielder Johnny Callison narrowly missed being the National League MVP Third baseman Richie Allen was Rookie of the Year But the Fightin Phils didn t make it to the postseason they lost 10 straight and finished a game behind the St Louis Cardinals Besides engineering the greatest collapse of any team in major league baseball history the 64 Phillies had another more important distinction they were Philadelphia s first truly integrated baseball team In September Swoon William Kashatus tells the dramatic story both on the field and off the field of the Phillies bittersweet season of 1964 More than any other team in Philadelphia s sports history the 64 Phillies saddled the city with a reputation for being a loser Even when victory seemed assured Philadelphia found a way to lose Unfortunately the collapse dubbed the September swoon was the beginning of a self destructive skid in both team play and racial integration for the very things that made the players unique threatened to tear the team apart An antagonistic press and contentious fans blamed Richie Allen the Phillies first black superstar for the team s losing ways accusing him of dividing the team along racial lines Allen manipulated the resulting controversy in the hopes that he would be traded but in the process he managed to further fray already tenuous race relations Based on personal interviews player biographies and newspaper accounts September Swoon brings to life a season and a team that got so many Philadelphians both black and white to care deeply and passionately about the game at a turbulent period in the city s and our nation s history The hometown fans reveled in their triumphs and cried in their defeat because they saw in them a reflection of themselves The 64 Phillies not only won over the

loyalties of a racially divided city but gave Philadelphians a reason to dream of a pennant of a contender and of a City of Brotherly Love

Autoethnography, Self-Narrative and Teacher Education Mike Hayler, 2012-01-01

Autoethnography Self Narrative and Teacher Education examines the professional life and work of teacher educators. In adopting an autoethnographic and life history approach, Mike Hayler develops a theoretically informed discussion of how the professional identity of teacher educators is both formed and represented by narratives of experience. The book draws upon analytic autoethnography and life history methods to explore the ways in which teacher educators construct and develop their conceptions and practice by engaging with memory through narrative in order to negotiate some of the ambivalences and uncertainties of their work. The author's own story of learning embedded within the text was shared with other teacher educators who, following interviews, wrote self narratives around themes which emerged from discussion. The focus for analysis develops from how professional identity and pedagogy are influenced by changing perceptions and self narratives of life and work experiences and how this may influence professional culture, content and practice in this area. The book includes an evaluation of how using this approach has allowed the author to investigate both the subject and method of the research, with implications for educational research and the practice of teacher education.

Audience: Scholars and students of education and the education of teachers; researchers interested in autoethnography and self narrative.
