The Oxford Handbook of Integrative Health Science Carol D. Ryff, Robert F. Krueger, 2018 Most health research to date has been pursued within the confines of scientific disciplines that are guided by their own targeted questions and research strategies Although useful such inquiries are inherently limited in advancing understanding the interplay of wide ranging factors that shape human health The Oxford Handbook of Integrative Health Science embraces an integrative approach that seeks to put together sociodemographic factors age gender race socioeconomic status known to contour rates of morbidity and mortality with psychosocial factors emotion cognition personality well being social connections behavioral factors health practices and stress exposures caregiving responsibilities divorce discrimination also known to influence health A further overarching theme is to explicate the biological pathways through which these various effects occur The biopsychosocial leitmotif that inspires this approach demands new kinds of studies wherein wide ranging assessments across different domains are assembled on large population samples The MIDUS Midlife in the U S national longitudinal study exemplifies such an integrative study and all findings presented in this collection draw on MIDUS The way the study evolved via collaboration of scientists working across disciplinary lines and its enthusiastic reception from the scientific community are all part of the larger story told Embedded within such tales are important advances in the identification of key protective or vulnerability factors these pave the way for practice and policy initiatives seeking to improve the nation's health

Emerging Adulthood in a European Context Rita Žukauskienė, 2015-12-07 Emerging adulthood has been identified as an important developmental stage characterised by identity exploration instability and open possibilities in which young people are no longer adolescents but have not yet attained full adult status This ground breaking edited collection is the first book to offer a comprehensive overview of emerging adulthood in a European context which includes a comparison of findings in 9 different European countries and the USA Each chapter written by a leading European researcher describes the socio demographic characteristics of emerging adults reviews the state of the field synthesises new findings and provides suggestions for how to move forward in research interventions and policy The book examines how the traditional domain markers of adulthood such as finishing education and caring for children have changed It also highlights how different factors such as gender working status living arrangements romantic status and parental educational background affect the importance assigned to each set of adulthood criteria The theory of emerging adulthood is further developed by considering how Arnett's emerging adulthood Erikson's early adulthood and Robinson's theory of early adult crisis fit together and data is provided to support the new framework given The book will be of great interest to researchers interested in these developmental transitions and to advanced students of

Asia: School, Work, and Family Life Wei-Jun Jean Yeung,Cheryll Alipio, Frank F. Furstenberg, Jr.,2013-03-07 In the past decade or so scholars in the United States have identified the emergence of a new distinct stage of life as adolescence has become protracted and most young people of recent generations take longer to achieve economic and psychological autonomy than they did a half century ago This new life stage in between adolescence and adulthood when young people are in a semiautonomous state has come to be known as early adulthood Main characteristics of this new life stage include a later entry into the work force a longer period of time living in the natal home and a delayed age at marriage and childbearing These trends not only have profound implications for young adults well being and intergenerational relationships but also challenge social institutions such as family schools labor markets and many youth serving institutions

Chinese Families Upside Down: Intergenerational Dynamics and Neo-Familism in the Early 21st Century ,2021-03-15 Chinese Families Upside Down offers the first systematic account of how intergenerational dependence is redefining the Chinese family The authors make a collective effort to go beyond the conventional model of filial piety to explore the rich nuanced and often unexpected new intergenerational dynamics Supported by ethnographic findings from the latest field research novel interpretations of neo familism address critical issues from fresh perspectives such as the ambivalence in grandparenting the conflicts between individual and family interests the remaking of the moral self in the face of family crises and the decisive influence of the Chinese state on family change The book is an essential read for scholars and

students of China studies in particular and for those who are interested in the present day family and kinship in general

Handbook of the Life Course Michael J. Shanahan, Jeylan T. Mortimer, Monica Kirkpatrick Johnson, 2015-10-26 Building on the success of the 2003 Handbook of the Life Course this second volume identifies future directions for life course research and policy The introductory essay and the chapters that make up the five sections of this book show consensus on strategic next steps in life course studies These next steps are explored in detail in each section Section I on life course theory provides fresh perspectives on well established topics including cohorts life stages and legal and regulatory contexts It challenges life course scholars to move beyond common individualistic paradigms Section II highlights changes in major institutional and organizational contexts of the life course It draws on conceptual advances and recent empirical findings to identify promising avenues for research that illuminate the interplay between structure and agency It examines trends in family school and workplace as well as contexts that deserve heightened attention including the military the criminal justice system and natural and man made disaster The remaining three sections consider advances and suggest strategic opportunities in the study of health and development throughout the life course They explore methodological innovations including qualitative and three generational longitudinal research designs causal analysis growth curves and the study of place Finally they show ways to build bridges between life course research and public policy

Adulthood and Aging Dr. Vern L. Bengtson, PhD, 1996-07-03 In this volume distinguished scholars explore and apply the theoretical models of continuity and discontinuity to their research in adult development The chapters address the different ways in which continuity is affected by change over the life course as well as how individuals negotiate and maintain crucial continuities by adaptive change Topics include adult life crises illness sibling relationships and gender identity Each chapter is followed by an insightful commentary This book is a tribute to Bernice L Neugarten for her contributions to the field of adult development which includes the concept of continuities Contributors include W Andrew Achenbaum Robert H Binstock James Birren Bertram J Cohler Margaret Hellie Huyck Boaz Kahana Eva Kahana Sheldon S Tobin Lillian E Troll Steven H Zarit and others

The Top Books of the Year Sooner Or Later The Timing Of Parenthood In Adult Lives The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
