The Soul of Abraham Lincoln, by William E. Barton, ... William E. Barton,1920 [The Soul of Abraham Lincoln](#) William E. Barton,2015-06-11 Excerpt from *The Soul of Abraham Lincoln* The author is aware that he is dipping his net into a stream already darkened by too much ink The fact that there are so many books on the religion of Abraham Lincoln is a chief reason why there should be one more Books on this subject are largely polemic works which followed the publication of Holland s biography in 1865 and multiplied in the controversies growing out of that and the Lamon and Herndon biographies in 1872 and 1889 respectively Within that period and until the death of Mr Herndon in 1892 and the publication of his revised biography of Lincoln in 1893 there was little opportunity for a work on this subject that was not distinctively controversial The time has come for a more dispassionate view Of the large number of other books dealing with this topic nearly or quite all had their origin in patriotic or religious addresses which meeting with favor when orally delivered were more or less superficially revised and printed in most instances for audiences not greatly larger than those that heard them spoken Many of these are excellent little books though making no pretense of original and thorough investigation Of larger and more comprehensive works there are a few but they do not attempt the difficult and necessary task of critical analysis So much has been said and much of it with such intensity of feeling on the subject of Lincoln s religion that a number of the more important biographies including the great work of Nicolay and Hay say as little on the subject as possible The author of this volume brings no sweeping criticism against those who have preceded him in the same field About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Thirty Days With Abraham Lincoln Duncan Newcomer, 2019-11-05 Abraham Lincoln is the soul of America, calling us to our best as Americans. Lincoln scholar Duncan Newcomer has hosted more than 200 episodes of the radio series *Quiet Fire: The Spiritual Life of Abraham Lincoln*. Now 30 of his best stories provide a month of inspirational reading in a unique volume that invites us to read the stories or to follow a simple code to hear the original broadcast each day. Since its beginning, radio has offered a warm medium for connecting the heart, the head, and the imagination. This delightful collection of Lincoln's wisdom was seeded in a creative radio show. *Quiet Fire* writes Sally Kane, CEO of the National Federation of Community Broadcasters, where this series was born on WERU, a station in mid-coastal Maine. Now *Quiet Fire* has morphed into a daily companion for readers who connect the dots between time and space to map a new understanding of the chaotic times in which we live. Lincoln's words resonate more urgently than ever, and Duncan has played alchemist in *Quiet Fire* to one of our country's greatest souls and distilled an essence that can guide and comfort us. Duncan Newcomer captures Lincoln's spirit in every one of these thirty meditations, and I love the fact that these began life on radio since I am a radio guy as well. Day 1 radio host Peter Wallace writes in the book's Foreword: By reading these sublime and soulful reflections, possessed as Duncan puts it by a quiet fire.

you will find inspiration and insight that will make sense in your own life in your own battles with fear and grief in your own decisions over the best path to take in a certain situation in your own yearning for deep meaning and purpose In the book Newcomer reminds readers of Lincoln's belief that it is not the land that makes us American It's a mindset Americans are not a race or a tribe To Lincoln Americans are a people who have received a great gift a free nation with self government And Thirty Days With Abraham Lincoln Quiet Fire reminds us writes Newcomer that Americans did not create this free nation on their own in Lincoln's mind a divine assistance made it possible In these short daily stories Newcomer touches repeatedly to the role of the divine in Lincoln's thoughts writings and deeds In one story Lincoln senses an abiding presence everywhere for good In another God acting in history It may just be writes Newcomer that more than two centuries after the birth of Lincoln new generations of people are ready to follow Lincoln once again in order to find a new birth of freedom This spirit can make the young wide awake and relight the fire inside the old Sheryl Fullerton retired Executive Editor for Religion Spirituality at John Wiley Sons Inc writes Duncan Newcomer gives us the gift of Abraham Lincoln's wise words and Duncan's own thoughtful reflections on a side of the great president most of us have not really seen Read this book every day for a month and you will not only be heartened and enlightened but also given hope for our own troubled times Thirty Days With Lincoln collects Newcomer's best stories from the radio series Quiet Fire presenting them both in text and with a daily link that will play that original broadcast with the click of a smartphone app **The Heart of Lincoln** Wayne Whipple,1915
