Soul Of The Lion A Biography Of General Joshua L Chamberlain

EW Minium

Soul Of The Lion A Biography Of General Joshua L Chamberlain:

Soul of the Lion Willard Mosher Wallace, 1960 Soul of the Lion fills the last big gap in Civil War biography It is extraordinary that no previous life of General Joshua Lawrence Chamberlain the hero of Little Round Top at Gettysburg has previously appeared for Chamberlain was a truly great fighting general There are many who hold that Chamberlain's defense of Little Round Top turned the tide at Gettysburg and thus saved the Union Chamberlain was born a soldier but he planned originally to be a missionary A graduate of Bangor Theological Seminary he was an instructor in religion at Bowdoin College when the Civil War broke out and he discovered his true vocation His career was one of exceptional gallantry He was an officer always in the thick of battle Fourteen horses were shot under him and finally he was terribly wounded yet recovered to fight in the closing campaigns of the War He was designated to receive the surrender of the Confederate infantry after the Appomattox meeting of Grant and Lee and he played the role with magnanimity Chamberlain's peacetime career was no less notable Four times he was elected Governor of the State of Maine and he made a good governor Then he became president of Bowdoin College and instituted there a progressive educational policy declaring that we must also take hold of which we call science and which makes knowledge power In 1880 Chamberlain unarmed and alone faced down at Augusta the capital of Maine a mob that threatened to kill him With magnificent courage he said I am here to see that the laws of this state are put into effect I am here for that and I shall do it If anybody wants to kill me for it here I am Chamberlain was a State of Maine man to the marrow of his bones He was born on a farm at Brewer Maine where today a big bridge is named after him he was Maine educated he served with Maine regiments he was active in Maine politics and president of Bowdoin Maine's great college he closed his life of service by acting as Port Surveyor at Portland Book jacket

Soul of the Lion. A Biography of General Joshua L. Chamberlain. [With Plates, Including Portraits.]. Willard Mosher WALLACE, Joshua Lawrence CHAMBERLAIN, 1960 **Soul of the Lion** Willard Mosher Wallace, 1991 **Soul of the Lion** Joshua L.

Chamberlain, Willard M. Wallace, 1991 Joshua Lawrence Chamberlain and the Petersburg Campaign Dennis Rasbach, 2016-09-30 Joshua Lawrence Chamberlain earned the sobriquet Lion of the Round Top for his tactical brilliance leading his 20th Maine Infantry on the rocky wooded slopes of Little Round Top at on the evening of July 2 1863 Promoted to brigade command he was presumed mortally wounded during an assault at Petersburg on June 18 1864 and bestowed a rare on the spot battlefield promotion to brigadier general He survived returned to the command in 1865 and participated in the surrender of Lee's veterans at Appomattox Chamberlain went to his grave a half century later believing he was wounded while advancing alone from the future site of Fort Hell His thrust so he and others believed was against the permanent fortifications of the Dimmock Line at Rives Salient near the Jerusalem Plank Road through a murderous flank fire from what was soon to become Confederate held Fort Mahone This narrative has been perpetuated by Chamberlain scholars and biographers over the past century Chamberlain's wounding and Rives Salient are now fused in the modern consciousness

This interpretation was given an additional mantle of authority with the erection of a Medal of Honor Recipient's placard near South Crater Road by the Virginia Department of Historic Resources on November 8 2014 In fact author Dennis A Rasbach argues a careful review of the primary evidence left by Chamberlain and his contemporaries suggests that Chamberlain was mistaken regarding the larger context of the engagement in which he fought and fell An overwhelming body of evidence much of it derived from Chamberlain himself demonstrates he actually attacked a different part of the Confederate line in the vicinity of an entirely different road This part of the Petersburg campaign must now be rewritten to properly understand the important battle of June 18 1864 and Chamberlain's role in it Richly illustrated with photos and original maps and documented with extensive primary accounts Rasbach's Joshua Lawrence Chamberlain and the Petersburg Campaign dispels a well established Civil War myth and sets the historical record straight *The Rotarian*, 1961-03

Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine **The Heroes of Gettysburg** Charles River Editors, 2025-05-04

Despite the fact that the Civil War began over 150 years ago it remains one of the most widely discussed topics in America today with Americans arguing over its causes reenacting its famous battles and debating which general was better than others Americans continue to be fascinated by the Civil War icons who made the difference between victory and defeat in the war's great battles Ironically one of the generals who often escapes the attention of Civil War fans who compile the lists of best generals is the man who won the war's most famous battle George G Meade 1815 1872 In fact Meade has become a perfect example of how the generals who did not self promote themselves and write memoirs after the war had their reputations suffer in the ensuing decades When people think of Appomattox Court House they think of Ulysses S Grant and Robert E Lee Few remember that the commander of the Army of the Potomac at the end of the Civil War was not Grant but Meade Meade exemplified modesty and competence serving as a career United States Army officer and civil engineer who fought with distinction in the eastern theater of the Civil War During the first half of the war Meade rose from command of a brigade to command of a division and finally command of the entire Army of the Potomac just days before the Battle of Gettysburg Winfield Scott Hancock was an intimidating figure who impressed friends foes and fellow generals alike Known as Hancock the Superb after McClellan described his performance as such during the Battle of Williamsburg in the Peninsula Campaign of 1862 Hancock eventually rose to become the Army of the Potomac's greatest corps commander Though his reputation and legacy gradually faded over time Hancock was one of the North's foremost war heroes by the end of the war and he nearly became president in 1880 when he was just barely defeated by a less decorated Civil War veteran James Garfield After the Battle of Chancellorsville he fortuitously became the new II Corps commander in the Army of the Potomac just in time to deliver his greatest performance of all At Gettysburg Hancock was the commanding

general in the field on Day 1 as Meade and the rest of the Union army arrived later that night On Day 2 Hancock s men assisted Sickles III Corps when Sickles disobeyed orders and moved it forward creating a gap in the Union lines And on Day 3 Hancock s greatest day of the war he was seriously injured and nearly bled to death while leading his men in their decisive repulse of Pickett s Charge Chamberlain had a respectable Civil War career and life but he had been largely forgotten in the decades after the Civil War with the focus on more influential commanding generals and their principal subordinates Then a remarkable thing happened with the 1974 publication of Michael Sharaa s The Killer Angels a Pulitzer Prize winning historical fiction that focuses on the Battle of Gettysburg and its influential generals and leaders In one fell swoop Michael Sharaa breathed life back into the reputations of men like John Buford and Joshua Chamberlain cast as the Union heroes of Day 1 and Day 2 respectively that made victory at Gettysburg possible In the novel Chamberlain s regiment holds the high ground against a series of desperate Confederate charges and when they ran out of gunpowder Chamberlain ordered a brave bayonet charge that drove the Confederates in their front from the fight With that the Union s left flank was saved

The Hero of Little Round Top Charles River Editors, 2025-05-15 For much of the 20th century Joshua Lawrence Chamberlain s life and career remained mostly obscure outside of dedicated scholars of the Battle of Gettysburg and alumni and students of Bowdoin College Colonel Chamberlain had led the 20th Maine regiment at Gettysburg holding the extreme left of the Union line on Little Round Top and he continued to rise up the ranks toward the end of the war until he was commanding a brigade and present at the surrender ceremony of the Army of Northern Virginia at Appomattox After the Civil War Chamberlain served as Governor of Maine and President of Bowdoin College Chamberlain had a respectable Civil War career and life but he had been largely forgotten in the decades after the Civil War with the focus on more influential commanding generals and their principal subordinates Then a remarkable thing happened with the 1974 publication of Michael Shaara s The Killer Angels a Pulitzer Prize winning historical fiction that focuses on the Battle of Gettysburg and its influential generals and leaders In one fell swoop Michael Shaara breathed life back into the reputations of men like John Buford and Joshua Chamberlain cast as the Union heroes of Day 1 and Day 2 respectively that made victory at Gettysburg possible In the novel Chamberlain s regiment holds the high ground against a series of desperate Confederate charges and when they ran out of gunpowder Chamberlain ordered a brave bayonet charge that drove the Confederates in their front from the fight With that the Union s left flank was saved Thanks to Shaara Ken Burns popular Civil War documentary prominently featured Chamberlain s involvement at Gettysburg and when Shaara s novel was turned into the critically acclaimed 1993 movie Gettysburg interest in Chamberlain and the 20th Maine swelled Chamberlain s reputation and role in the Civil War had been completely revived and the monument to the 20th Maine on Little Round Top became one of the premier tourist spots on the Gettysburg battlefield Naturally once more attention was focused on Chamberlain s record historians started to scrutinize his service and post war writings leading to ensuing controversies over just what happened on Little Round Top on July 2 1863

Furthermore there still remains debate over Chamberlain's participation during the surrender ceremony of the Army of Northern Virginia at Appomattox. Whether definitive answers are ever reached there is no doubt that Chamberlain and the 20th Maine will continue to hold a secure and strong reputation in the coming decades. *The Hero of Little Round Top* chronicles the life and career of Joshua Chamberlain, examining his Civil War service and the debates over it as well as analyzing his legacy. Along with pictures of important people, places, and events, you will learn about Chamberlain like you never have before in no time at all. *Joshua Chamberlain* John J. Pullen, 1999-05-01 Joshua Chamberlain was much more than a war hero and Pullen's thoughtful book fills out the picture of his remarkable life. An entertaining and inspiring story. Senator George J. Mitchell Pullen's book is a worthy tribute to Chamberlain's lasting legacy. Charles F. Herberger Civil War Book Review Pullen's presentation is more complete in revealing a complicated character without diminishing the almost mythic status he has assumed. Edward C. Smith The Washington Times Recounts Chamberlain's later life through the lens of his experience during the Civil War *100 Years After*, 1958
