The Taoist Soul Body Mantak Chia, 2007-11-15 A guide to the practice of the Lesser Kan and Li that gives birth to the soul body and the immortal spirit body Shows how to awaken higher consciousness through practices in total darkness that stimulate the release of DMT by the pineal gland Shows how to transform sexual energy into life force energy to feed the soul body The Lesser Enlightenment of Kan and Li practice combines the compassion of the heart energies yang fire with sexual energies originating in the kidneys yin water to form and feed the soul or energy body Practice of the Chinese formula Siaow Kan Li yin and yang mixed uses darkness technology to literally steam the sexual energy jing into life force energy chi by re versing the location of yin and yang power This inversion places the heat of the bodily fire from the heart center beneath the coolness of the bodily water of the sexual energy of the perineum thereby activating the liberation of transformed sexual energy

Darkness technology has been a key element of Taoist practice and of all Inner Alchemy traditions throughout the ages. A total darkness environment stimulates the pineal gland to release DMT into the brain. The darkness actualizes successively higher states of consciousness correlating with the accumulation of psychedelic chemicals in the brain. In the darkness, mind and soul begin to wander freely in the vast realms of psychic and spiritual experience. Death is no longer to be feared because life beyond the physical body is known through direct experience. The birth of the soul is not a metaphor. It is an actual process of converting energy into a subtle body. Developing the soul body is the preparation for the growth of the immortal spirit body in the practice of the Greater Enlightenment of Kan and Li.

Richard Devane SJ Martin Walsh, 2019-07-17. A controversial figure in his time and perhaps even more so today, Richard Devane SJ (1876-1951) was a thorn in the side of the governments of W. T. Cosgrave and Eamon de Valera. He is remembered equally as a defender of the conscience of the new Irish Republic and as a sometimes over-zealous gatekeeper of Irish culture and morals. In *Richard Devane SJ: Social Commentator and Advocate*, Martin Walsh takes on the task of placing Devane in context, not only the context of his time, that of the birth of the Irish Republic, but of our time, a time of widespread change in Irish culture that can make the Ireland of Devane's day look like another island. For better or worse, Walsh argues, Devane's fierce commitment to nurturing a new Ireland made him a major force in creating the country we know today. If we want to understand the Ireland that passed referenda on gay marriage and abortion in 2015 and 2018 respectively, we need to understand and not forget or dismiss the world the Irish people were responding to: Devane's world and Devane's Ireland. An advocate of censorship, a committed anti-communist, founder of the Irish Film Institute and sparring partner of Brian O'Nolan, Flann O'Brien, Myles na gCopaleen, in *Richard Devane SJ: Social Commentator and Advocate*, Martin Walsh brings this controversial figure to life, ensuring he will be the subject of discussion in Irish circles for years to come.

Spiritual Authority Rob Reimer, 2024-03-11. Jesus gave his disciples authority to preach the good news of the kingdom of God and to cast out demons, heal the sick, save the lost, and set the captives free. Everywhere Jesus went, the kingdom came with power. There was no proclamation of the gospel without a demonstration of power. It was the authentic demonstration of Jesus' power through his followers that ignited the greatest spiritual movements in the first century. Today we are becoming more like the spiritual climate in the first century than like 1950 America. In a pluralistic, syncretistic society where all deities are considered equal, only the unequal display of Jesus' power will convince people of the supremacy of Christ. The key to demonstrating the power of the King is Authority, and authority is not just positional; it is developmental. Spiritual authority is rooted in identity, expanded in intimacy, and activated by faith. This book takes an in-depth look at how we can grow in identity, intimacy, and faith so that we can develop our authority and release the kingdom.
