Army**

State And Law Soviet And Yugoslav Theory:

State and Law Ivo Lapenna, 1964 *State and Law* Ivo Lapenna, 1964 *The General Theory of Law and Marxism* Evgeny Pashukanis, 2017-09-04 E B Pashukanis was the most significant contemporary to develop a fresh new Marxist perspective in post revolutionary Russia In 1924 he wrote what is probably his most influential work *The General Theory of Law and Marxism* In the second edition 1926 he stated that this work was not to be seen as a final product but more for self clarification in hopes of adding stimulus and material for further discussion A third edition was printed in 1927 Pashukanis s commodity exchange theory of law spearheaded a perspective that traced the form of law not to class interests but to capital logic itself Until his death he continued to argue for the ideal of the withering away of the state law and the juridic subject He eventually arrived at a position contrary to Stalin s who at that time was attempting to consolidate and strengthen the state apparatus under the name of the dictatorship of the proletariat Inevitably Pashukanis was branded an enemy of the revolution in January 1937 His works were subsequently removed from soviet libraries In 1954 Pashukanis was rehabilitated by the Soviets and restored to an acceptable position in the historical development of marxist law In Europe and North America a number of legal theorists only rediscovered Pashukanis s work in the late 1970s They subjected it to careful critical analysis and realized that he offered an alternative to the traditional Marxist interpretations which saw law simply and purely as tied to class interests of domination By the mid 1980s the instrumental Marxist perspective in vogue in Marxist sociology criminology politics and economics gave way to a significant extent due to Pashukanis s insights to a more structural Marxist accounting of the relationship of law to economics and other social spheres In his new introduction Dragan Milovanovic discusses the life of Pashukanis Marx and the commodity exchange theory of law and the historical lessons of Pashukanis s work This book [The Integrative Jurisprudence Of Harold J. Berman](#) Howard O Hunter, 2019-07-11 The essays in this volume appeared in slightly different versions in the *Emory Law Journal* volume 42 number 2 pages 433 560 The edited and revised versions of those essays are published with the consent of the editors of the *Emory Law Journal* to whom grateful acknowledgment is given **Evgeny Pashukanis** Michael Head, 2007-09-12 A thorough examination of Pashukanis writings this book is a significant contribution to a proper assessment of Pashukanis work the value of his theoretical legacy and the contemporary relevance of Marxist legal theory Interest in the best known Soviet legal scholar Evgeny Pashukanis remains widespread and his work retains considerable relevance His writings provide a rich source of material on the Marxist theory of law and the state as well as the attempts to apply that doctrine in Soviet Russia In this book Michael Head considers Pashukanis work both within its historical context and in relation to contemporary legal theory answering a range of questions including How and why did Pashukanis emerge as the pre eminent Soviet jurist from 1924 to 1930 Why did he come under only minor criticism from 1930 to 1936 and then be denounced and executed in 1937 as a Trotskyite saboteur Why have many Western scholars generally praised the quality and originality of Pashukanis work yet also drawn the

conclusion that his fate illustrates the intrinsic impossibility of the entire communist project Serving as an introduction to Pashukanis and Marxist legal theory and a timely contribution in light of the universal assault on civil liberties in the indefinite War on Terror and the constant escalation of law and order measures in Western societies this volume is an invaluable resource for those interested in jurisprudence and critical thought *The Search for a Cold War Legitimacy: Foreign Policy and Tito's Yugoslavia* Robert Edward Niebuhr,2018-01-03 Titoist Yugoslavia is a particularly interesting setting to examine the integrity of the modern nation state especially the viability of distinctly multi ethnic nation building projects Scholarly literature on the brutal civil wars that destroyed Yugoslavia during the 1990s emphasizes divisive nationalism and dysfunctional politics to explain why the state disintegrated But the larger question remains unanswered just how did Tito s state function so successfully for the preceding forty six years In an attempt to understand better what united the stable multi ethnic and globally important Yugoslavia that existed before 1991 Robert Niebuhr argues that we should pay special attention to the dynamic and robust foreign policy that helped shape the Cold War **The Economic Struggle for Power in Tito's Yugoslavia** Vladimir Unkovski-Korica,2016-08-24 Here Vladimir Unkovski Korica re assesses the key episodes of Tito s rule from the joint Stalin Tito offensive of 1944 through to the Tito Stalin split of 1948 the market reforms of the 1950s and the turn to the West which led to Yugoslavia s non alignment policy For the first time Unkovski Korica also outlines Tito s internal battle with the Workers Councils empowered union bodies which emerged with the withering away of the party in the early 1950s *The Economic Struggle for Power in Tito's Yugoslavia* draws out the impact of the period economically and politically and its long term effects A comprehensive history based on new archival research this book will appeal to scholars and students of European Studies International Relations and Politics as well as to historians of the Balkans **USSR: Strategic Survey** United States. Department of the Army,1969 **The Yugoslav community of nations** Frits W. Hondius,2019-01-14 No detailed description available for The Yugoslav community of nations

Explaining Yugoslavia John B. Allcock,2000 Traversing the politics economics demography and culture of the former Yugoslavia John B Allcock examines and makes sense of the region s troubled past and troubling present Though many think of the Balkans as a uniquely troubled region the author asserts that the continuities in Balkan history constitute the same processes of development that have occurred in other societies and are part of the ongoing process of global modernization

Socialism: the 100-Year-Old Misnomer Dana Neacșu,2025-11-13 What if everything you thought you knew about socialism was wrong *Socialism the 100 Year Old Misnomer* invites you to rethink a century of political and cultural myth making Dana Neac u distinguishes real socialism rooted in democracy and wealth redistribution from its authoritarian counterfeit Soviet style state capitalism Drawing on political theory political economy law and culture and using layered textual analysis Neac u exposes how language ideology and legal systems conspired to mislabel repression as revolution Featuring rare visuals and sharp close readings this book equips you to separate fact from fiction and rethink what justice

ownership and power could truly mean

Contemporary Yugoslavia Wayne S. Vucinich, 2023-04-28 Contemporary Yugoslavia Twenty Years of Socialist Experiment offers a comprehensive analysis of Yugoslavia's political economic and social evolution since World War II. This volume, based on papers presented at a 1965 Stanford University conference, explores pivotal issues such as Yugoslavia's postwar reconstruction, its departure from Stalinist orthodoxy, and the adoption of national communism. Featuring contributions from leading scholars, the book examines topics like Tito's leadership, the transformation of Yugoslav Marxist thought, economic decentralization, and the complex nationality problem. The authors highlight Yugoslavia's unique trajectory, blending socialism with capitalistic reforms and its impact on both domestic stability and international relations. This insightful collection underscores the profound effects of wartime disruptions and Communist policies on Yugoslav society, from social modernization to enduring ethnic tensions. Essays delve into the struggle for national unity amid centrifugal forces, the role of strategic leadership, and the challenges of sustaining liberalization and democratization. For scholars and readers interested in Cold War history, socialist systems, or the Balkan region, this book provides a nuanced understanding of Yugoslavia's revolutionary path and its broader implications for global politics and social change. This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1969.

Yearbook on Socialist Legal Systems, 1987 William Elliott Butler, 1988 This volume contains British, Bulgarian, Polish, Russian, Japanese, and American contributions on such topics as legal history and language in legal translation, economic restructuring, foreign trade and investment legislation, and the role of the Soviet defense counsel or advocate.

Human Rights and World Public Order Myres Smith McDougal, Harold Dwight Lasswell, Lung-chu Chen, 2019 As a classic text of the New Haven School of International Law, this book explores human rights and international law in the broadest sense, taking into account social sciences research while embracing all values secured or consequently fulfilled or needed to thus be achieved. The re-issuance of this venerable title unveils this work to a new generation of scholars, students, and practitioners of international law and human rights.

Cohesion and Conflict in International Communism Peter Mayer, 2012-12-06 The current conflict which threatens the very existence of the international communist movement as a single coherent entity must be looked for in the roots of Marxian philosophy. The central concept of pre-Leninist communism is contained in the notion of proletarian internationalism. Yet the emergence of the communist party states has been squarely predicated on the requirements of single national states as viewed through the training and experience of the various communist leaders. Thus the Soviet version has been shaped by the nationalism of Lenin, Stalin, and Khrushchev. The only aberrant case, the internationalism of Trotsky, was doomed to failure. The Chinese version of communism has as its root concepts the spirit of prolonged struggle against a superior enemy whose ultimate

defeat is ensured through the dialectics of political growth The non communist societies are by definition decadent The movement came to power by exploiting the nationalism engendered within China by the Japanese invasion Its mass support was based on the peasantry although the transparent fiction of proletarian leadership was strictly maintained Further communism is a term which has lost its original encompassing definition Peking now narrowly defines it as policies consonant with the thought of Mao Tse tung Thus both the Soviet and the Chinese interpretation of communism are based on a concept which was anathema to the intellectual founders of the movement *Chinese Civilization and Bureaucracy* Etienne Balazs, 1967-03-11 Born in Hungary trained in Chinese studies in Germany Etienne Balazs was until his sudden and premature death in 1963 a professor at the Sorbonne and an intellectual leader among European specialists on China In this book a selection of Dr Balazs essays are presented for the first time in English Arthur F Wright professor of history at Yale and John K Fairbank professor of history at Harvard have written a joint Preface and Mr Wright has written an Introduction Scholars and interested laymen will find a rich feast here in essays ranging over two thousand years of China's social economic political and intellectual history A wealth of data supports the various theories Dr Balazs develops in a graceful translation by Hope N Wright Because Etienne Balazs regarded the Chinese past not as a curiosity but as a repository of relevant human experience his essays are significant for anyone interested in the past and future of civilization If a reader should disagree with some of the brilliant points he would still find them challenging and refreshing *Journal of Asian Studies*

Essays in Honour of Wang Tiewa Ronald St. John Macdonald, 2024-12-09 *Codification in the Communist World* Ferdinand J.M. Feldbrugge, 2024-12-09 *Bureaucracy* Martin Albrow, 1970-06-18 Martin Albrow Honorary Vice President of the British Sociological Association Martin Albrow Honorary Vice President of the British Sociological Association **A History of Postwar Russia** Roger Pethybridge, 2021-11-29 First Published in 1966 A History of Postwar Russia covers sixteen years of Soviet history from the closing stages of the Second World War 1945 until the Twenty second Soviet Party Congress 1961 dealing with both domestic and foreign policy and their influence on each other It aims at giving the overall shape of Soviet history in these years The author argues that in Soviet society each sector of activity must be viewed in relation to the whole so that the monolithic pattern of totalitarian politics can be appreciated More than any other major power the Soviet Union did not submit easily to compartmentalized study since every branch of Soviet life was carefully trimmed to grow towards the Communist aim This book is an essential read for scholars and researchers of Soviet history Soviet politics European history Russian history and comparative politics

As recognized, adventure as skillfully as experience virtually lesson, amusement, as skillfully as bargain can be gotten by just checking out a ebook **State And Law Soviet And Yugoslav Theory** moreover it is not directly done, you could receive even more as regards this life, nearly the world.

We manage to pay for you this proper as capably as simple habit to acquire those all. We give State And Law Soviet And Yugoslav Theory and numerous books collections from fictions to scientific research in any way. in the middle of them is this State And Law Soviet And Yugoslav Theory that can be your partner.

State And Law Soviet And Yugoslav Theory Introduction

In the digital age, access to information has become easier than ever before. The ability to download State And Law Soviet And Yugoslav Theory has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download State And Law Soviet And Yugoslav Theory has opened up a world of possibilities. Downloading State And Law Soviet And Yugoslav Theory provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading State And Law Soviet And Yugoslav Theory has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download State And Law Soviet And Yugoslav Theory. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading State And Law Soviet And Yugoslav Theory. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading State And Law Soviet And Yugoslav Theory, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download State And Law Soviet And Yugoslav Theory has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About State And Law Soviet And Yugoslav Theory Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. State And Law Soviet And Yugoslav Theory is one of the best book in our library for free trial. We provide copy of State And Law Soviet And Yugoslav Theory in digital format, so the resources that you find are reliable. There are also many Ebooks of related with State And Law Soviet And Yugoslav Theory. Where to download State And Law Soviet And Yugoslav Theory online for free? Are you looking for State And Law Soviet And Yugoslav Theory PDF? This is definitely going to save you time and cash in something you should think about.
