effects Much of the old time fiddlers repertory arises not from the inherited reels jigs and hornpipes from the British Isles nor from the waltzes schottisches and polkas from the Continent but from the prolific pens of Tin Pan Alley Marshall also examines regional styles in Missouri fiddling and comments on the future of this time honored and changing tradition Documentary in nature this social history draws on various academic disciplines and oral histories recorded in Marshall s forty some years of research and field experience Historians music aficionados and lay people interested in Missouri folk heritage as well as fiddlers of course will find Play Me Something Quick and Devilish an entertaining and enlightening read With 39 tunes the enclosed Voyager Records companion CD includes a historic sampler of Missouri fiddlers and styles from 1955 to 2012 A media kit is available here press.umsystem.edu/pages/PlayMeSomethingQuickandDevilish.aspx Missouri Historical Review ,2001 The Commandant's Last Ride Mark L.
