The Artist As Photographer:

The Artist as Photographer Marina Vaizey, 1982 *Right Brain Photography* Eli Vega, 2019-02-18 Right Brain Photography an award winning book is for photographers who want to get the most out of their cameras without spending hours in front of the computer but yet want high quality professional results It covers both the creative aesthetics and technical know how sides of photography You will learn about being an artist first photographer second see with your imagination not your eyes see something before you see it how to make the common uncommon and the mundane insane The book starts off with an emphasis on starting with the end in mind The reader is immediately engaged with right brain exercises which the author introduces to get the mind stimulated Eli has created three photography models or paradigms which he shares in his book now in its fourth edition I S E E SOMETHING ELI S 5 POINT PHOTO ART MODEL and THE PHOTO IMAGE CREATION PROCESS He also spends an entire chapter on the subject of composition which he learned during his college art days and which he feels is becoming a lost art among photographers Throughout the book challenge assignments are introduced to encourage readers to apply what they learned but in real life situations They are intended to connect the dots Most highly experienced professional photographers do not share the stage with other photographers especially in a book about their photography Eli does He showcases eight of his students works to show what other photographers create when they apply his principles concepts paradigms and techniques Right Brain Photography has over 130 eye catching images that serve to illustrate lessons taught *Post-Photography* Robert Shore, 2014-09-23 The real world is full of cameras the virtual world is full of images Where does all this photographic activity leave the artist photographer Post Photography tries to answer that question by investigating the exciting new language of photographic image making that is emerging in the digital age of anything is possible and everything has been done before Found imagery has become increasingly important in post photographic practice with the internet serving as a laboratory for a major kind of image making experimentation But artists also continue to create entirely original works using avant garde techniques drawn from both the digital and analogue eras This book is split into six sections Something Borrowed Something New Layers of Reality Eye Spy Material Visions Post Photojournalism and All the World Is Staged which cover the key strategies adopted by 53 of the most exciting and innovative artist photographers of the 21st century drawn from all over the world *The Artist and Journal of Home Culture* ,1881 *The Photograph as Contemporary Art* Charlotte Cotton, 2021-02-16 A new edition of the definitive title in the field of contemporary art photography by one of the world s leading experts on the subject Charlotte Cotton In the twenty first century photography has come of age as a contemporary art form Almost two centuries after photographic technology was first invented the art world has fully embraced it as a legitimate medium equal in status to painting and sculpture The Photograph as Contemporary Art introduces the extraordinary range of contemporary art photography from portraits of intimate life to highly staged directorial spectacles Arranged thematically the book reproduces

work from a vast span of photographers including Andreas Gursky Barbara Kasten Catherine Opie Cindy Sherman Deana Lawson Diana Markosian Elle P rez Gregory Halpern Lieko Shiga Nan Goldin Paul Mpagi Sepuya Pixy Liao Susan Meiselas and Zanele Muholi This fully revised and updated new edition revitalizes previous discussion of works from the 2000s through dialogue with more recent practice Alongside previously featured work Charlotte Cotton celebrates a new generation of artists who are shaping photography as a culturally significant medium for our current sociopolitical climate A superb resource The Photograph as Contemporary Art is a uniquely broad and diverse reflection of the field *The Artist* ,1881 **Artist Photographer and Decorator** ,1901 *Photographic Times and American Photographer* ,1892
