Sklar, 2017-10-05 Late historian Martin J Sklar s analysis of how modernizing worldwide development has been the focus of US foreign policy Why the American Century? Heck, 2008-08-14 Amid a 2008 presidential campaign calling for dramatic often ill defined change arguing that Americans are clinging to their historic constitutionally guaranteed rights to bear arms and enjoy religious freedom out of sheer bitterness this analysis compellingly contends that America s social and economic problems stem from too much change already It maintains that the radical counterculture revolution that set in across college campuses in the 1960s which has now spilled over into society at large set the nation on a course of decline paralleling that of ancient Rome Drawing heavily upon the vision of the Founding Fathers it reveals how the ongoing attack on the nation s traditional values has produced cultural and civic alienation and an attendant loss of work ethic creating a dangerous bureaucratic overstretch whose social welfare costs are now threatening the nation s socioeconomic future **BOOK JACKET** **The Short American Century** Andrew J.
