The Assembly Life:

Assembly Life Watchman Nee, 2009-12-10 The purpose of God is to establish Christ and not just the personal Christ but also the corporate Christ which is the Church as the body is one and hath many members and all the members of the body being many are one body so also is the Christ 1 Cor 12 12 Darby The work of the Holy Spirit in these past two thousand years has been centered on building this body of Christ We will fail God in seeing His purpose and fail the Holy Spirit in cooperating with His work if we are not holding fast the Head from whom all the body being supplied and knit together through the joints and bands increaseth with the increase of God Col 2 19 The body of Christ is not only most spiritual but also most practical It is an earthly testimony as well as a heavenly body All its spiritual principles must be and can be practiced in a local assembly Here in these pages therefore we shall find that Watchman Nee shares with us the practical aspects of the assembly life He touches on such practical matters as authority in the church ministry in the church church fellowship church meetings and the boundary of a local assembly It is important for the reader to remember that this volume emphasizes only the practical side of the Church and hence concentrates on the life of the local assembly There is another side of the Church that of the spiritual principles inherent in the Church universal which is not the subject of this book To maintain the right balance and to obtain the whole concept of the Church both the principle and the practice both the universal and the local must be received and kept For it must never be forgotten that a new wine skin is for containing the new wine and therefore the first without the second is meaningless May the Head of the Church find himself expressed corporately among His people Assembly Life Watchman Nee, 1982 **The Assembly Life & The Prayer Ministry of**

the Church Watchman Nee, 1993-05-01 Realizing that God must gain the church as a corporate expression of Christ and not just individual overcoming Christians Watchman Nee presents practical fellowship in *The Assembly Life* that is directed toward fitly framing the believers who live within a particular locality into a living spiritual and practical dwelling place of God In a world that is desperately in need of Him God often seems limited in His operation and frustrated in His purpose Despite the ever present needs there is no limitation in His ability There is however a limitation in His willingness to work without the full cooperation of the church through prayer The prayer of the church lays the tracks upon which God moves to fulfill His eternal purpose In *The Prayer Ministry of the Church* Watchman Nee presents the biblical principles involved in the type of prayer that can bind on earth what has been bound in Heaven and loose on earth what has been loosed in Heaven Through the prayer of the church every limitation and frustration to the fulfillment of God's will can be effectively overcome

The Assembly Life Watchman Nee, 1995-03 **The Assembly** Gordon W. Lathrop, 2022-05-17 In his previous book *The Pastor A Spirituality* Gordon W. Lathrop writes The most important symbol of Christ in the room is not the minister not the altar not even the bread and wine or the water of the font It is the assembly the Body of Christ as the New Testament says page 27 This statement forms the central theme of this new book Reflecting on the recent painful time of pandemic when the

wisest and most caring course was not to assemble at all has illuminated the author's conviction and strengthened it. But as churches return to in person worship and life in community they will need to revisit formation in assembly practice. This book articulates why and how the assembly is so important in Christianity. Lathrop intends the book to assist Christian congregations and their pastors or priests to recover vital participatory and life giving in person worship after the pandemic. He further intends that participants will see and treasure the importance of assembly as the primary form of church and as a vital source of Christian daily life. Part 1 of the book looks in depth at the assembly, discusses why the sacraments are assembly events and explores how the assembly forms Christians for daily living. Part 2 presents a critical catechism for the assembly with emphasis on the sacraments, the Lord's Prayer, the Creed and the Ten Commandments. *The Church and the Work Nee ...* (Watchman.), 1982.
