The Assyrian Connection:

Daniel and the Nato Connection Allen Bonck, 2012-03-06 The book of Daniel must be studied to understand the end of the world Already events are unfolding that signal that the kingdom of heaven on Earth isn't far away The Antichrist also known as the Little Horn the Vile Persian the Beast and the Assyrian will start a war NATO once a purely defensive alliance will play a pivotal role in fulfilling the world's prophetic future Learn why events today are proving the prophecy true and also discover connections between the book of Daniel and the book of Revelation insights surrounding the relationship between the United States and NATO links between biblical predictions and geopolitical events God continues to use kings and leaders on earth to accomplish his will Its becoming increasingly clear that we're living in unprecedented times but Christians who understand the links between biblical prophecy and current events can rejoice knowing that the kingdom of the Lord is right around the corner
