

The Atlantic Migration 1607-1860

M A R C U S L E E H A N S E N

Edited with a Foreword by ARTHUR M. SCHLESINGER

Introduction by OSCAR HANDLIN

The Atlantic Migration 1607-186

Marcus Lee Hansen

The Atlantic Migration 1607-1860:

Antiquarian Bookman, 1961 **The Atlantic Migration** Marcus Lee Hansen, 1945 *The Atlantic Migration, 1607-1860* Marcus Lee Hansen, 1945 The Atlantic Migration, 1607-1860 Marcus Lee Hansen, Arthur Meier Schlesinger, 1957 "The" Atlantic Migration 1607-1860 Marcus Lee Hansen, 1961 *The Atlantic Migration, 1607-1860 ... With an Introduction to the Torchbook Edition by Oscar Handlin* Marcus Lee HANSEN, 1961 **The Atlantic migration, 1607-1860: a history of the continuing settlement of the United States ... Edited with a Foreword by Arthur M. Schlesinger. (Second Printing.) [With Plates.]** Marcus Lee HANSEN, 1941 **The Atlantic Migration, 1608-1860** Marcus Lee Hansen, 1961 Crossings Walter T. K. Nugent, 1992

During the period 1870-1914 the Atlantic was a broad highway for migration. Unchecked by government restrictions, wars or economic depressions and aided by the new technologies of steamships and railroads, millions of people uprooted their lives and set off for new lands. Americans understand this story as a great saga of immigrants and assimilation of people drawn to the United States as to the promised land of opportunity. But what lay behind this great migration? And how unique was the American experience? To answer these questions, Walter Nugent looks at this massive movement of people from both sides of the Atlantic. Tracing the migrations of more than a dozen national groups from Europe to the four major New World receiving countries—Argentina, Brazil, Canada, and the United States—Nugent discovers a complex story of crossings and recrossings of tens of millions of human experiences and decisions. Nugent follows the migrants who left rural Europe for American mines and factories, but he also compares the experiences of Europeans on the very different frontiers of settlement at the far reaches of the four receiving countries. And he discusses the migration of women, not only wives and mothers within migrating families but also individuals seeking a new life on their own. Nugent asks important questions about American uniqueness in the context of transatlantic migration history and about the validity of widely held theories of development. He finds that the history of the great migrations is more complex and subtle than these theories. His superb synthesis broadens the scope and clarifies the details of a fascinating story of enormous social and demographic change.

Migration and the Origins of the English Atlantic World Alison Games, 1999

England's seventeenth-century colonial empire in North America and the Caribbean was created by migration. The quickening pace of this essential migration is captured in the London port register of 1635, the largest extant port register for any single year in the colonial period and unique in its record of migration to America and to the European continent. Alison Games analyzes the 7,500 people who traveled from London in that year, recreating individual careers, exploring colonial societies at a time of emerging viability, and delineating a world sustained and defined by migration. The colonial travelers were bound for the major regions of English settlement: New England, the Chesapeake, the West Indies, and Bermuda, and included ministers, governors, soldiers, planters, merchants, and members of some major colonial

dynasties Winthrops Saltonstalls and Eliots Many of these passengers were indentured servants Games shows that however much they tried the travelers from London were unable to recreate England in their overseas outposts They dwelled in chaotic precarious and hybrid societies where New World exigencies overpowered the force of custom Patterns of repeat and return migration cemented these inchoate colonial outposts into a larger Atlantic community Together the migrants stories offer a new social history of the seventeenth century For the origins and integration of the English Atlantic world Games illustrates the primary importance of the first half of the seventeenth century **The Atlantic Migration, 1607-1860**

Marcus Lee Hansen, Arthur Meier Schlesinger, 1961 **The Atlantic Migration** Marcus Lee Hansen, 1940 **The atlantic migration, 1607-1860, by marcus lee hansen** Marcus lee Hansen, Arthur m. (editor) Schlesinger, 1945 *The Atlantic Migration, 1607-1860 ; a History of the Continuing Settlement of the United States, by Marcus Lee Hansen ; Edited with a Foreword by Arthur M. Schlesinger* Marcus Lee Hansen, 1961 **The Atlantic migration, 1607-1938** Marcus Lee

Hansen, 1940 *Atlantic History in the Nineteenth Century* Niels Eichhorn, 2019-11-13 This book argues that a vibrant ever changing Atlantic community persisted into the nineteenth century As in the early modern Atlantic world nineteenth century interactions between the Americas Africa and Europe centered on exchange exchange of people commodities and ideas From 1789 to 1914 new means of transportation and communication allowed revolutionaries migrants merchants settlers and tourists to crisscross the ocean share their experiences and spread knowledge Extending the conventional chronology of Atlantic world history up to the start of the First World War Niels Eichhorn uncovers the complex dynamics of transition and transformation that marked the nineteenth century Atlantic world **The Atlantic World** D'Maris Coffman, William

O'Reilly, Adrian Leonard, 2019-12-20 As the meeting point between Europe colonial America and Africa the history of the Atlantic world is a constantly shifting arena but one which has been a focus of huge and vibrant debate for many years In over thirty chapters all written by experts in the field The Atlantic World takes up these debates and gathers together key original scholarship to provide an authoritative survey of this increasingly popular area of world history The book takes a thematic approach to topics including exploration migration and cultural encounters In the first chapters scholars examine the interactions between groups which converged in the Atlantic world such as slaves European migrants and Native Americans The volume then considers questions such as finance money and commerce in the Atlantic world as well as warfare government and religion The collection closes with chapters examining how ideas circulated across and around the Atlantic and beyond It presents the Atlantic as a shared space in which commodities and ideas were exchanged and traded and examines the impact that these exchanges had on both people and places Including an introductory essay from the editors which defines the field and lavishly illustrated with paintings drawings and maps this accessible volume is invaluable reading for all students and scholars of this broad sweep of world history

Immerse yourself in the artistry of words with Experience Art with is expressive creation, Discover the Artistry of **The Atlantic Migration 1607186** . This ebook, presented in a PDF format (*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
