John Paizs's Crime Wave Jonathan Ball,2014-01-01 In John Paizs s Crime Wave writer and filmmaker Jonathan Ball offers the first book length study of this curious Canadian film *Bulletin of the Atomic Scientists* ,1983-04 *Psychoanalysis and the Nuclear Threat* Howard B Levine,Daniel Jacobs,Lowell J. Rubin,2013-05-13 The analytic literature has heretofore been silent about the issues inherent in the nuclear threat As a groundbreaking exploration of new psychological terrain Psychoanalysis and the Nuclear Threat will function as a source book for what it is hoped will be the continuing effort of analysts and other mental health professionals to explore and

engage in depth nuclear issues This volume provides panoramic coverage of the dynamic and clinical considerations that follow from life in the nuclear age Of special interest are chapters dealing with the developmental consequences of the nuclear threat in childhood adolescence and adulthood and those exploring the technical issues raised by the occurrence in analytic and psychotherapeutic hours of material related to the nuclear threat Additional chapters bring a psychoanalytic perspective to bear on such issues as the need to have enemies silence as the real crime love work and survival in the nuclear age the relationship of the nuclear threat to issues of mourning and melancholia apocalyptic fantasies the paranoid process considerations of the possible impact of gender on the nuclear threat and the application of psychoanalytic thinking to nuclear arms strategy Finally the volume includes the first case report in the English language albeit a brief psychotherapy involving the treatment of a Hiroshima survivor A noteworthy event in psychoanalytic publishing Psychoanalysis and the Nuclear Threat betokens analytic engagement with the most pressing political and moral issue of our time a cultivating of Freud's soft voice of the intellect in an area where it is desperately needed **Nuclear Times**, 1982-11 **The Documentary Film Reader** Jonathan Kahana, 2016 The Documentary Film Reader brings together an expansive range of writing by scholars critics historians and filmmakers to provide a stimulating foundational text for students and others who want to undertake study of nonfiction film War Stars Howard Bruce Franklin, 2008 In this new and expanded edition of an already classic work H Bruce Franklin brings the epic story of the superweapon and the American imagination into the ominous twenty first century demonstrating its continuing importance both to comprehending our current predicament and to finding ways to escape from it Sweeping through two centuries of American culture and military history Franklin traces the evolution of superweapons from Robert Fulton's eighteenth century submarine through the strategic bomber atomic bomb and Star Wars to a twenty first century dominated by weapons of mass destruction real and imagined Interweaving culture science technology and history he shows how and why the American pursuit of the ultimate defensive weapon guaranteed to end all war and bring universal triumph to American ideals has led our nation and the world into an epoch of terror and endless war **Documenting World Politics** Rens Van Munster, Casper Sylvest, 2015-02-11 As a central component of contemporary culture films mirror and shape political debate Reflecting on this development scholars in the field of International Relations IR increasingly explore the intersection of TV series fiction film and global politics So far however virtually no systematic scholarly attention has been given to documentary film within IR This book fills this void by offering a critical companion to the subject aimed at assisting students teachers and scholars of IR in understanding and assessing the various ways in which documentary films matter in global politics The authors of this volume argue that much can be gained if we do not just think of documentaries as a window on or intervention in reality but as a political epistemology that like theories involve particular postures strategies and methodologies towards the world to which they provide access This work will be of great interest to students and scholars of international relations popular culture and
