## **The Author And His Doubles:**

**The Author and His Doubles** Abdelfattah Kilito, 2001-11-01 Michael Cooperson's translation makes Abdelfattah Kilito's masterpiece available to English speaking audiences for the first time. Called the most inventive and provocative critic of Arabic literature writing in the Middle East today, Kilito opens our perception with the same breadth of vision seeking to define the traditional and historical forces that bind one writer to another and that inextricably link an author to a text. This volume benefits from Cooperson's accomplished translation. While rigorously precise, it also allows the wit and humor and the lyricism of Kilito's prose full expression. Drawing on major themes of classical Arabic literature, the essays use simple poetic language to argue that genre, not authorship, is the single most important feature of classical works. Kilito discusses love, poetry, and panegyric, the Prophet's Hadith, and the literary anecdote, as well as offering novel readings of recurrent themes such as memorization, plagiarism, forgery, and dream visions of the dead. Artaud and His Doubles Kimberly

Jannarone, 2012-06-26 Artaud and His Doubles is a radical rethinking of one of the most influential theater figures of the twentieth century. Placing Artaud's writing within the specific context of European political, theatrical, and intellectual history, the book reveals Artaud's affinities with a disturbing array of anti-intellectual and reactionary writers and artists whose ranks swelled catastrophically between the wars in Western Europe. Kimberly Jannarone shows that Artaud's work reveals two sets of doubles: one, a body of peculiarly persistent received interpretations from the American experimental theater and French post-structuralist readings of the 1960s; and two, a darker set of doubles, those of Artaud's contemporaries who, in the tumultuous, alienated, and pessimistic atmosphere enveloping much of Europe after World War I, denounced the degradation of civilization, yearned for cosmic purification, and called for an ecstatic loss of the self. Artaud and His Doubles will generate provocative new discussions about Artaud and fundamentally challenge the way we look at his work and ideas. **Writing**

**and Representation in Medieval Islam** Julia Bray, 2006-04-18 With contributions from specialists in different areas of classical Islamic thought, this accessible volume explores the ways in which medieval Muslims saw, interpreted, and represented the world around them in their writings. Focusing mainly on the eighth to tenth centuries AD, known as the formative period of Islamic thought, the book examines historiography, literary prose, and Arabic prose genres which do not fall neatly into either category. Filling a gap in the literature by providing detailed discussions of both primary texts and recent scholarship, Writing and Representation in Medieval Islam will be welcomed by students and scholars of classical Arabic literature, Islamic history, and medieval history. *Salman Rushdie and Postcolonial Authorship* Trajanka Kortova

Jovanovska, 2023-12-07 The main focus of interest in this book are the figures of writers and writing subjects in Rushdie's oeuvre who contemplate and reflect on the nature and purpose of their craft, their authorial identity, and their positioning in society and intellectual history through their writing. It discusses the aesthetics of the texts they produce and their subsequent agency in the world through the various ways they are interpreted and appropriated. Authorship is a special category of

storytelling a specific craft and vocation giving expression to a conscious and purposeful project The book focuses on what postcolonial literature specialist Dr Jane Poyner calls the ethics of intellectual practice as the major theme pervading Rushdie's entire corpus of writing fictional essayistic and autobiographical The key audience for the book is primarily students of postcolonial literature and of Salman Rushdie's work in particular It will also be of interest to readers wishing to get a deep insight into the works of one of the most prominent and most controversial contemporary writers

**The Realist Author and Sympathetic Imagination** Sotirios Paraschas, 2017-12-02 The nineteenth century realist author was a contradictory figure He was the focus of literary criticism but obscured his creative role by insisting on presenting his works as copies of reality He was a celebrity who found himself subservient to publishers and the public in a newly industrialised literary marketplace

He was the owner of his work who was divested of his property by imperfect copyright laws playwrights who adapted his novels for the stage and sequel writers This combination of a conspicuous yet precarious status with a self effacing attitude was expressed by an image of the author as a plural Protean subject possessing the faculty of sympathetic imagination which the realists incorporated in their works in the form of a series of fictional characters who functioned as doubles of the author Paraschas focuses on two realists Honorede Balzac and George Eliot and traces this authorial scenario from its origins in the late eighteenth century to its demise in the early twentieth century examining its presence in the works of E T A Hoffmann Friedrich Schlegel Charles Baudelaire and Andre Gide *Holocaust Mothers and Daughters* Federica K.

Clementi,2013-12-03 In this brave and original work Federica Clementi focuses on the mother daughter bond as depicted in six works by women who experienced the Holocaust sometimes with their mothers sometimes not The daughters memoirs which record the all too human qualities of those who were persecuted and murdered by the Nazis show that the Holocaust cannot be used to neatly segregate lives into the categories of before and after Clementi s discussions of differences in social status along with the persistence of antisemitism and patriarchal structures support this point strongly demonstrating the tenacity of trauma individual familial and collective among Jews in twentieth century Europe *The Garland Companion to Vladimir Nabokov* Vladimir E. *A familiar compound ghost* Sarah Annes Brown,2017-06-01 A Familiar Compound Ghost explores the relationship between allusion and the uncanny in literature An unexpected echo or quotation in a new text can be compared to the sudden appearance of a ghost or mysterious double the reanimation of a corpse or the discovery of an ancient ruin hidden in a modern city In this scholarly and suggestive study Brown identifies moments where this affinity between allusion and the uncanny is used by writers to generate a particular textual charge where uncanny elements are used to flag patterns of allusion and to point to the haunting presence of an earlier work A Familiar Compound Ghost traces the subtle patterns of connection between texts centuries even millennia apart from Greek tragedy and Latin epic through

the plays of Shakespeare and the Victorian novel to contemporary film fiction and poetry Each chapter takes a different uncanny motif as its focus doubles ruins reanimation ghosts and journeys to the underworld     Double Trouble Sheldon Jaffery,1992-01-01 It was the 1950s in postwar America and paperback books were the hot new product in the publishing industry Of course to stand out from the crowd and sell one needed a gimmick Into this newly exuberant market came a publishing house named Ace Books with the seductive promise of two books for the price of one It also had the eye catching premise of two separate covers joined at the spine like Siamese twins Finished with one book Flip the paperback over and begin again with a new novel complete with its own package It was something completely different and it sold Double Trouble tours the short yet popular era of the Ace Mystery Doubles and includes both author title and title indexes for easy reference
