**The Author of Beltraffio** Henry James, 2015-07-17 Excerpt from The Author of Beltraffio Pandora Georgina s Reasons the Path of Duty Four Meetings Much as I wished to see him I had kept my letter of introduction for three weeks in my pocket book I was nervous and timid about meeting him conscious of youth and ignorance convinced that he was tormented by strangers and especially by my country people and not exempt from the suspicion that he had the irritability as well as the brilliancy of genius Moreover the pleasure if it should occur for I could scarcely believe it was near at hand would be so great that I wished to think of it in advance to feel that it was in my pocket not to mix it with satisfactions more superficial and usual In the little game of new sensations that I was playing with my ingenuous mind I wished to keep my visit to the author of Beltraffio as a trump card It was three years after the publication of that fascinating work which I had read over five times and which now with my riper judgment I admire on the whole as much as ever About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
