Smith* James L. Smith,2017-12-05 Born into slavery in Virginia James Smith grew up knowing great cruelty as well as unexpected kindnesses Always longing for freedom as a young man he was able to make a daring escape Once in the north he made a life for himself married and raised a family continued his education and keenly observed the changing world around him as America came to blows in the Civil War After the war he made a trip back to Virginia reuniting with siblings he had not seen in decades My joy and excitement rose to such a height that I scarcely knew whether I was in the body or out He even had an astonishingly warm visit with a former owner who brought him in to dinner Of the plight of African Americans post emancipation Smith observed objectively But say you the day of trial is over the stream of sympathy may be dried up because of the nominal freedom that has been vouchsafed I say to you nay my whole race is yet in peril and God only knows the end For the first time this long out of print book is available as an affordable well formatted book for e readers and smartphones Be sure to LOOK INSIDE or download a sample **Autobiography of James L. A History of the Methodist Episcopal Church Nathan Bangs,1860 **A History of the Methodist Episcopal Church ... Third Edition, Etc** Nathan BANGS,1845 The Oxford Handbook of the African American Slave Narrative John Ernest,2014-02-28 Given the rise of new interdisciplinary and methodological approaches to African American and Black Atlantic studies The Oxford Handbook of the African American Slave Narrative will offer a fresh wide ranging assessment of this major American literary genre The volume will begin with articles that consider the fundamental concerns of gender sexuality community and the Christian ethos of suffering and redemption that are central to any understanding of slave narratives The chapters that follow will interrogate the various agendas behind the production of both pre and post Emancipation narratives and take up the various interpretive problems they pose Strategic omissions and veiled gestures were often necessary in these life accounts as they revealed disturbing too painful truths far beyond what white audiences were prepared to hear While touching upon the familiar canonical autobiographies of Frederick Douglass and Harriet Jacobs the Handbook will pay more attention to the under studied narratives of Josiah Henson Sojourner Truth William Grimes Henry Box Brown and other often overlooked accounts In addition to the literary autobiographies of bondage the volume will

anatomize the powerful WPA recordings of interviews with former slaves during the late 1930s With essays on the genre's imaginative afterlife its final essays will chart the emergence and development of neoslave narratives most notably in Styron's *The Confessions of Nat Turner* Toni Morrison's *Beloved* and Octavia Butler's provocative science fiction novel *Kindred* In short the Handbook will provide a long overdue assessment of the state of the genre and the vital scholarship that continues to grow around it work that is offering some of the most provocative analysis emerging out of the literary studies discipline as a whole
