The Autobiography Of William Plomer:

The Autobiography of William Plomer, 1976 The Autobiography of William Plomer William Plomer, 1976 **The Autobiography of William Plomer. With a Postscript by Simon Nowell-Smith. [Illustr.] (1. Publ.)- London: Cape (1975). 455 S. 8°**, 1975 **William Plomer** Peter F. Alexander, 1989 Dealing frankly with all areas of his private and professional life and the central role his homosexuality played in them this book paints a fascinating portrait of William Plomer 1903-73 author of *Turbott Wolfe* from his beginnings in South Africa to his rise to literary and publishing prominence in England in the 1930s and 1940s William Plomer at Home Memoirs William Plomer, 1958 A History of South African Literature Christopher Heywood, 2004-11-18 This book is a critical study of South African literature from colonial and pre colonial times onwards Christopher Heywood discusses selected poems plays and prose works in five literary traditions Khoisan Nguni Sotho Afrikaans English and Indian The discussion includes over 100 authors and selected works including poets from Mqhayi Marais and Campbell to Butler Serote and Krog theatre writers from Boniface and Black to Fugard and Mda and fiction writers from Schreiner and Plaatje to Bessie Head and the Nobel prizewinners Gordimer and Coetzee The literature is explored in the setting of crises leading to the formation of modern South Africa notably the rise and fall of the Emperor Shaka's Zulu kingdom the Colenso crisis industrialisation the colonial and post colonial wars of 1899 1914 and 1939 and the dissolution of apartheid society In Heywood's study South African literature emerges as among the great literatures of the modern world **Fiction of the New Statesman, 1913-1939** Bashir Abu-Manneh, 2011-10-10 Fiction of the New Statesman is the first study of the short stories published in the renowned British journal the New Statesman This book argues that New Statesman fiction advances a strong realist preoccupation with ordinary everyday life and shows how British domestic concerns have a strong hold on the working class and lower middle class imaginative output of this period

Difficult Rhythm Michelle Fillion, 2010 Difficult Rhythm examines E M Forster's irrepressible interest in music providing plentiful examples of how the eminent British author's fiction resonates with music Musicologist Michelle Fillion analyzes his critical writings short stories and novels including *A Room with a View* which alludes to Beethoven Wagner and Schumann and *Howards End* which explicitly alerts readers how fiction can adopt musical forms and ideas This volume also includes for the first time in print Forster's notes on Beethoven's piano sonatas Documenting his knowledge of music his musical favorites and friends and his attitudes toward various composers performances and competing musical theories this engaging book traces the musical influences of luminaries such as Wagner Beethoven Tchaikovsky and Britten on Forster's life and work **Global Africans** Toyin Falola, Cacee Hoyer, 2017-01-20 Black African African descendant and of African heritage are just some of the ways Africans and Africans in the diaspora both old and new describe themselves This volume examines concepts of race ethnicity and identity as they are ascribed to people of colour around the world examining different case studies of how the process of identity formation occurred and is changing Contributors to this volume selected

from a wide range of academic and cultural backgrounds explore issues that encourage a deeper understanding of race ethnicity and identity As our notions about what it means to be black or of African heritage change as a result of globalization it is important to reassess how these issues are currently developing and the origins from which these issues developed Global Africans is an important and insightful book useful to a wide range of students and scholars particularly of African studies sociology diaspora studies and race and ethnic studies **In Byron's Shadow** David Ernest Roessel,2002 In Bryon s

Shadow draws on a wide range of sources to create a model for literary history that synthesizes literary investigation and cultural studies to develop a fuller understanding of the historical forces influencing the Anglo American conception of modern Greece Jacket **Auden and Isherwood** Norman Page,2016-03-09 Drawing on much contemporary material including Auden s fascinating unpublished diary this book places personal experience in the context of the life of a great city not only its political artistic and cultural life but the life of the streets bars and caf It presents portraits of figures often fascinating in their own right with whom Auden and Isherwood came into contact and it demonstrates how especially in Isherwood s fiction the raw material of daily existence was transformed into art The wide scope of this study which ranges from poetry and cinema to street violence and prostitution provides a richly detailed context for its account of two writers engaged in the process of self definition Investigating Powell's A Dance to the Music of Time Isabelle Joyau,1994-03-02

Stephen Spender David Leeming,2025-09-23 The first critical biography of one of the twentieth century s towering literary figures Stephen Spender was a minor poet but a major cultural influence during much of the century Literary critic journalist art critic social commentator and friendend of the best known cultural figures of the modernist and postmodernist periods Yeats Woolf Sartre Auden Eliot Isherwood Hughes Brodsky Ginsberg a who s who of contemporary literature Spender s writing recorded and distilled the emotional turbulence of many of the century s defining moments the Spanish Civil War the rise and fall of Marxism and Nazism World War II the human rights struggle after the war the Vietnam protest the Cold War and the 1960s sexual revolution the rise of America as a cultural and political force As David Leeming s fascinating biography demonstrates Stephen Spender s life reflected the complexity and flux of the century in which he lived his sexual ambivalence his famous friends the free love days in Germany between the wars the CIA Encounter scandal In David Leeming s capable hands this comprehensive unauthorized study of Spender is a meditation on modernity itself

Rosamond Lehmann Selina Hastings,2012-02-29 The life of Rosamond Lehmann was as romantic and harrowing as that of any of her fictional heroines Her first novel the shocking *Dusty Answer* became wildly successful launching her career as a novelist and just as her novels depicted the tempestuous lives of her heroines Rosamond s personal life would be full of heartbreaking affairs and lost loves Escaping from a disastrous early marriage Rosamond moved right into the heart of Bloomsbury society with Wogan Philipps Later on she would embark on the most important love affair of her life with the poet Cecil Day Lewis nine years later he abandoned her for a young actress a betrayal from which she would never recover

Selina Hastings masterfully creates a portrait of a woman whose dramatic life work and relationships criss crossed the cultural literary and political landscape of England in the middle of the twentieth century Peter Grimes/Gloriana Benjamin Britten, 2018-01-01 This is a double volume dedicated to two masterpieces by Benjamin Britten While Peter Grimes established Britten as a composer of international standing Gloriana composed for the coronation of Elizabeth II has never enjoyed a comparable fame The variety of mood characterization and pace in each illustrates Britten's exceptional gift for theatre Commentaries on the scores reveal for instance how much the popular concert extracts gain from their context in the dramas The essay by E M Forster the inspiration for Peter Grimes is reprinted here and Michael Holroyd discusses Lytton Strachey's controversial Elizabeth and Essex the source for Gloriana Contents Benjamin Britten's Librettos Peter Porter George Crabbe The Poet and the Man E M Forster Peter Grimes A Musical Commentary Stephen Walsh Peter Grimes Libretto by Montagu Slater Peter Grimes and Gloriana Joan Cross Peter Pears and John Evans Some Reflections on the Operas of Benjamin Britten Buxton Orr A daring experiment Michael Holroyd The Librettist of Gloriana Rupert Hart Davis The Music of Gloriana Christopher Palmer Notes on the Libretto of Gloriana William Plomer Gloriana Libretto by William Plomer Britten and the Far East Mervyn Cooke, 1998 Investigation into the influence of Eastern music on Britten's composition Benjamin Britten's interest in the musical traditions of the Far East had a far reaching influence on his compositional style this book is the first to investigate the highly original cross cultural synthesis he was able to achieve through the use of material borrowed from Balinese Japanese and Indian music Britten's visit to Indonesia and Japan in 1955-6 is reconstructed from archival sources and shown to have had a profound impact on his subsequent work the techniques of Balinese gamelan music were used in the ballet The Prince of the Pagodas 1957 and then became an essential feature of Britten's compositional style at their most potent in Death in Venice 1973 The No drama and Gagaku court music of Japan were the inspiration for the trilogy of church parables Britten composed in the 1960s The precise nature of these influences is discussed Britten's sporadic borrowings from Indian music are also fully analysed There is a survey of critical responses to Britten's cross cultural experiments Dr MERVYN COOKE lectures in music at the University of Nottingham **The Columbia Guide to South African Literature in English Since 1945** Gareth Cornwell, Dirk Kloppe, Craig Mackenzie, 2010-04-13 From the outset South Africa's history has been marked by division and conflict along racial and ethnic lines From 1948 until 1994 this division was formalized in the National Party's policy of apartheid Because apartheid intruded on every aspect of private and public life South African literature was preoccupied with the politics of race and social engineering Since the release from prison of Nelson Mandela in 1990 South Africa has been a new nation in the making inspired by a nonracial idealism yet beset by poverty and violence South African writers have responded in various ways to Njabulo Ndebele's call to rediscover the ordinary The result has been a kaleidoscope of texts in which evolving cultural forms and modes of identity are rearticulated and explored An invaluable guide for general readers as well as

scholars of African literary history this comprehensive text celebrates the multiple traditions and exciting future of the South African voice Although the South African Constitution of 1994 recognizes no fewer than eleven official languages English has remained the country's literary lingua franca This book offers a narrative overview of South African literary production in English from 1945 to the postapartheid present An introduction identifies the most interesting and noteworthy writing from the period Alphabetical entries provide accurate and objective information on genres and writers An appendix lists essential authors published before 1945 A Guide to Twentieth Century Literature in English Harry Blamires, 2021-06-23 First published in 1983 A Guide to Twentieth Century Literature in English is a detailed and comprehensive guide containing over 500 entries on individual writers from countries including Africa Australia Canada the Caribbean India Ireland New Zealand Pakistan Sri Lanka and the UK The book contains substantial articles relating to major novelists poets and dramatists of the age as well as a wealth of information on the work of lesser known writers and the part they have played in cultural history It focuses in detail on the character and quality of the literature itself highlighting what is distinctive in the work of the writers being discussed and providing key biographical and contextual details A Guide to Twentieth Century Literature in English is ideal for those with an interest in the twentieth century literary scene and the history of literature more broadly

Encyclopedia of British Writers, 1800 to the Present George Stade, Karen Karbiener, 2010-05-12 Contains alphabetically arranged entries that provide biographical and critical information on major and lesser known nineteenth and twentieth century British writers and includes articles on key schools of literature and genres A Great Unrecorded History Wendy Moffat, 2010-05-11 A REVELATORY LOOK AT THE INTIMATE LIFE OF THE GREAT AUTHOR AND HOW IT SHAPED HIS MOST BE LOVED WORKS With the posthumous publication of his long suppressed novel Maurice in 1970 E M Forster came out as a homosexual though that revelation made barely a ripple in his literary reputation As Wendy Moffat persuasively argues in A Great Unrecorded History Forster's homosexuality was the central fact of his life Between Wilde's imprisonment and the Stonewall riots Forster led a long strange and imaginative life as a gay man He preserved a vast archive of his private life a history of gay experience he believed would find its audience in a happier time A Great Unrecorded History is a biography of the heart Moffat's decade of detective work including first time interviews with Forster's friends has resulted in the first book to integrate Forster's public and private lives Seeing his life through the lens of his sexuality offers us a radically new view revealing his astuteness as a social critic his political bravery and his prophetic vision of gay intimacy A Great Unrecorded History invites us to see Forster and modern gay history from a completely new angle
