Martusewicz, 2001 In this eloquent collection of essays Rebecca Martusewicz positions a philosophy of education that relies on what transpires between teachers and learners in various contexts She thoughtfully analyzes how in the relationship between teachers and learners all kinds of ideas beliefs interpretations and meanings are generated as a result of potent generative forces that depend as she demonstrates using post structuralist theories on difference as their fuel Ultimately she argues that to become educated requires an attention to the welfare of self and others and a willingness to confront and shift one's own habits practices and beliefs for that purpose This work contains clear translations of post structuralist theories such as those of Deleuze Serres and Derrida well written essays that blend good storytelling theory and ethical analysis to reconceptualize education as the means toward social justice and a clear argument for the drawing together of analyses of difference introduced by post structuralism with attention to ethics and

social justice as they apply to education *PRANIC NOURISHMENT - Nutrition for the New Millennium - Living on Light Series* Jasmuheen, 2007-08-01 NEW 2012 UPDATED VERSION Pranic Nourishment also called Living on Light is Jasmuheen's fourth book of metaphysical interest. It is a fascinating story of her personal journey into being physically sustained purely by Light. It also touches on physical immortality, spirituality, and sexuality, new millennium relationships, and mind mastery utilizing the powerful programming of Dimensional Biofield Science. Pioneering new yet ancient pathways, many are now exploring the option of neither being a meat eater, a vegetarian, a vegan, a fruitarian, but rather a liquidarian or an individual sustained and nourished purely by the Light of their own Divine nature. Formerly a state of being reserved for or attributed to the Holy men, Saints, or Sages of the East, the process described in this text offers a practical and spiritual alternative for those wishing to practically begin to embrace physical immortality, cease the aging process, or simply live on Light.
