

The Aztecs

Richard F. Townsend

The Aztecs:

The Aztecs Michael E. Smith, 2013-03-01 The Aztecs brings to life one of the best known indigenous civilizations of the Americas in a vivid comprehensive account of the ancient Aztecs A thorough examination of Aztec origins and civilization including religion science and thought Incorporates the latest archaeological excavations and research into explanations of the Spanish conquest and the continuity of Aztec culture in Central Mexico Expanded coverage includes key topics such as writing music royal tombs and Aztec predictions of the end of the world *The Aztecs: A Very Short Introduction* David Carrasco, 2011-07-15 This book presents a very short introduction to the Aztecs using interpretive tools from religious studies and anthropology to uncover the paradox of Aztec life on the one hand a people highly skilled in sculpture astronomy city planning poetry and philosophic rhetoric while on the other hand a people profoundly committed to cosmic regeneration through the thrust of the ceremonial knife and warfare *The Aztecs* Pamela Odijk, 1990 Surveys the culture government religion and achievements of the Aztecs and the collapse of their empire with the arrival of the Spanish under Cortez

Daily Life of the Aztecs on the Eve of the Spanish Conquest Jacques Soustelle, 1970 The author describes the advancing civilization of the Aztecs destroyed by Spanish conquest **Exploring the Aztecs** John Malam, 2003 Remains to be Seen is a fascinating series which looks at the past through the archeological evidence that remains today Exploring the Aztecs discusses who the Aztecs were and how their ancient civilisation in Mexico developed Who was Moctezuma and what was it like to live in Tenochtitlan the Aztec capital city built on a lake The reader is taken on a guided tour of the Aztec world exploring their capital city and discovering a world of emperors nobles priests warriors commoners and slaves who belonged to one of the greatest civilizations in the Americas **The Aztecs** Lucien Biart, 1887 **The Aztecs** Joan D. Barghusen, 2002 Discusses the Aztec civilization including daily life customs societal structure art religion and conquest by the Spanish **The Aztecs** Dirk R. Van Tuerenhout, 2005-06-21 How did a bedraggled band of nomads manage to evolve into a Mesoamerican superpower in such a brief time This volume looks at the essential elements in the Aztecs rise fall and enduring influence A wealth of new archaeological findings and interpretations has sparked a richer understanding of the Aztecs dispelling many myths The Aztecs New Perspectives looks at evidence from ancient colonial and modern times to present a contemporary well rounded portrait of this Mesoamerican culture Like no other volume it examines daily Aztec life both at and away from the seats of power revealing the Aztecs to be accomplished farmers astronomers mathematicians and poets as well as ruthless warriors and tireless builders of empire The Aztecs ranges from the mysterious origins of the Aztlan tribe to the glory years of empire and ultimate defeat But the story doesn't end there To present the most complete picture possible the author goes to the most fascinating source available the living ancestors who keep the Aztec language and many aspects of their ancient worldview alive There is no better volume for exploring the realities of Aztec life as it was and as it influences our world today **The Aztecs** Rosemary Rees, 2006 Explains the various elements of the Aztecs including their

history daily life religion cooking and eating trading and transportation and more **The Aztecs** Nigel Davies,1973 Political history of the Aztecs and their pre Hispanic empire in the Valley of Mexico **Daily Life of the Aztecs** Jacques Soustelle,2002-01-01 A study of the Mexicans at the beginning of the sixteenth century focusing on the daily activities of the city dwellers of Mexico Tenochtitlan and discussing society religion domestic habits marriage and family war the arts and other aspects of daily life **The Aztecs** Matt Doeden,2009-08-01 Introduces the history daily life religion social customs and inventions of the Aztecs along with descriptions of Tenochtitlan its largest city **The Aztecs** George Lansing Raymond,1894 **The Aztecs** Richard F. Townsend,2009 From their remote origins as migrating tribes to their rise as builders of empire the Aztecs were among the most dynamic and feared peoples of ancient Mexico This fully revised and reorganized third edition of Richard Townsend s masterly study presents an expanded view of their history and cultural achievement and includes colour plates for the first time The book begins with a vivid evocation of the coronation rites of a new emperor conveying the richness and diversity of Aztec civilization Great weight is given to the influence of preceding cultures at Teotihuacan Xochicalco and Tula Remarkable new discoveries are described especially the huge 12 ton monolith of the goddess Tlaltecuhltli found in the Great Pyramid precinct A breakthrough in hieroglyphic decipherment reveals that many phonetic elements combine with pictographic forms in Aztec script recalling conventions of Classic Maya writing This edition ends with the conquest of Tenochtitlan by Spanish and Indian allies as seen from the Aztec viewpoint and the Conclusion points out the importance of the Aztec legacy in the formation of modern Mexico The Oxford Handbook of the Aztecs Deborah L. Nichols,Enrique Rodríguez-Alegría,2017 The Oxford Handbook of the Aztecs the first of its kind provides a current overview of recent research on the Aztec empire the best documented prehispanic society in the Americas Chapters span from the establishment of Aztec city states to the encounter with the Spanish empire and the Colonial period that shaped the modern world Articles in the Handbook take up new research trends and methodologies and current debates The Handbook articles are divided into seven parts Part I Archaeology of the Aztecs introduces the Aztecs as well as Aztec studies today including the recent practice of archaeology ethnohistory museum studies and conservation The articles in Part II Historical Change provide a long term view of the Aztecs starting with important predecessors the development of Aztec city states and imperialism and ending with a discussion of the encounter of the Aztec and Spanish empires Articles also discuss Aztec notions of history writing and time Part III Landscapes and Places describes the Aztec world in terms of its geography ecology and demography at varying scales from households to cities Part IV Economic and Social Relations in the Aztec Empire discusses the ethnic complexity of the Aztec world and social and economic relations that have been a major focus of archaeology Articles in Part V Aztec Provinces Friends and Foes focuses on the Aztec s dynamic relations with distant provinces and empires and groups that resisted conquest and even allied with the Spanish to overthrow the Aztec king This is followed by Part VI Ritual Belief and Religion which examines the different beliefs and rituals that formed Aztec religion and

their worldview as well as the material culture of religious practice The final section of the volume Aztecs after the Conquest carries the Aztecs through the post conquest period an increasingly important area of archaeological work and considers the place of the Aztecs in the modern world *Aztec Warfare* Ross Hassig,1988 In exploring the pattern and methods of Aztec expansion Ross Hassig focuses on political and economic factors Because they lacked numerical superiority faced logistical problems presented by the terrain and competed with agriculture for manpower the Aztecs relied as much on threats and the image of power as on military might to subdue enemies and hold them in their orbit Hassig describes the role of war in the everyday life of the capital Tenochtitlan the place of the military in Aztec society the education and training of young warriors the organization of the army the use of weapons and armor and the nature of combat **Through the Land of the Aztecs** Gringo,1892 **The Conquest of the Aztecs** Charles River Editors,2025-06-29 From the moment Spanish conquistador Hernan Cort s first found and confronted them the Aztecs have fascinated the world and they continue to hold a unique place both culturally and in pop culture Nearly 500 years after the Spanish conquered their mighty empire the Aztecs are often remembered today for their major capital Tenochtitlan as well as being fierce conquerors of the Valley of Mexico who often engaged in human sacrifice rituals Ironically and unlike the Mayans the Aztecs are not widely viewed or remembered with nuance in part because their own leader burned extant Aztec writings and rewrote a mythologized history explaining his empire s dominance less than a century before the Spanish arrived Naturally Cortes and other Spaniards depicted the Aztecs as savages greatly in need of conversion to Catholicism While the Mayans are remembered for their astronomy numeral system and calendar the Aztecs have primarily been remembered in a far narrower way despite continuing to be a source of pride to Mexicans through the centuries As a result even though the Aztecs continue to interest people across the world centuries after their demise it has fallen on archaeologists and historians to try to determine the actual history culture and lives of the Aztecs from the beginning to the end relying on excavations primary accounts and more Nearly 500 years after his death and the demise of his empire Moctezuma II is the most famous ruler of the most famous civilization in the New World the Aztec For centuries the legends surrounding his life and the conquest of the Aztecs by Hernan Cort s have fascinated readers and historians alike Moctezuma was born around 1466 in the legendary Aztec city of Tenochtitlan and into the ruling family of the Aztec Confederacy In the Nahuatl language his name means Angry Lord or Strong Armed Lord and he was the ninth ruler of the Aztecs who called their leaders tlatoani Though he is the best known ruler of the Aztec today he was actually the second Aztec tlatoani to bear the name Moctezuma after he assumed the throne from his uncle The Spanish conquest of the Aztec and some of the myths and legends surrounding it have made his name and variations of it like Montezuma instantly recognizable around the globe his life is shrouded in mystery Bernal Diaz del Castillo s *The Conquest of New Spain* and Miguel Leon Portilla s translation of the Aztec observation of the conquest *The Broken Spears* recorded but a few details about the last Aztec ruler s life Also these two sources are only concerned with the

circumstances surrounding the Spanish conquest of the Aztecs and therefore only deal with the very end of Moctecuma II's life and reign. Thus his early life largely remains a mystery. Of course the lionization and demonization of Cortés often take place without fully analyzing the man himself especially because there are almost no contemporaneous sources that explain what his thinking and motivation was. If anything Cortés seemed to have been less concerned with posterity or the effects of the Spanish conquest on the natives than he was on relations with the Mother Country itself. Of the few things that are known about Cortés it appears that he was both extremely ambitious and fully cognizant of politics and political intrigue even in a New World thousands of miles west of Spain itself. Cortés spent much of his time in Mexico and the New World defending himself against other Spanish officials in the region as well as trying to portray and position himself in a favorable light back home.

The Aztec and Mayan Worlds Fiona Macdonald, 2009-01-15 Presents a general history of the cultural and social aspects of the ancient Maya and Aztec empires up to the arrival of Spanish conquerors in a book that also provides readers with instructions for creating such related craft projects as a feather fan a mosaic mask a codex and a miniature pyramid temple.

Through the land of the Aztecs; or, Life and travel in Mexico, by a Gringo Arthur St. Hill, 1892

Thank you categorically much for downloading **The Aztecs**. Maybe you have knowledge that, people have look numerous time for their favorite books later than this The Aztecs, but end stirring in harmful downloads.

Rather than enjoying a fine ebook subsequently a cup of coffee in the afternoon, otherwise they juggled bearing in mind some harmful virus inside their computer. **The Aztecs** is approachable in our digital library an online entry to it is set as public fittingly you can download it instantly. Our digital library saves in combined countries, allowing you to acquire the most less latency era to download any of our books in the same way as this one. Merely said, the The Aztecs is universally compatible similar to any devices to read.
