The Bab Ballads:

The Bab Ballads William Schwenck Gilbert, 1970 W S Gilbert renowned author of the Savoy Operas was also the creator of the Bab Ballads possibly the best comic verse and surely the best illustrated in the English language according to James Ellis Gilbert published these poems together with his own grotesque drawings signed Bab a childhood nickname in Fun and other magazines in the late nineteenth century In 1898 the older and by then distinguished Gilbert substituted pallid and inoffensive drawings for the originals which he had come to believe erred gravely in the direction of unnecessary extravagance Since then the ballads have been collected and published in various editions most of which have featured the revised drawings and only a selection of the poems This is the only book to offer the complete collection of ballads with all original illustrations a tribute to the comic genius of a writer known as the most original dramatist of his generation This collection will delight readers with its irreverence and wit

The Bab Ballads W. S. Gilbert, 2017-08-27 The Bab Ballads are a collection of light verse by W S Gilbert illustrated with his own comic drawings Gilbert wrote the Ballads before he became famous for his comic opera librettos with Arthur Sullivan In writing the Bab Ballads Gilbert developed his unique topsy turvy style where the humour was derived by setting up a ridiculous premise and working out its logical consequences however absurd The Ballads also reveal Gilbert's cynical and satirical approach to humour They became famous on their own as well as being a source for plot elements characters and songs that Gilbert would recycle in the Gilbert and Sullivan operas The Bab Ballads take their name from Gilbert's childhood nickname and he later began to sign his illustrations Bab

The Bab Ballads Sir W. S. Gilbert, 2014-11-03 Let each select from them a wife And as for nervous me old pal Give me your own enchanting gal Good CAPTAIN REECE that worthy man Debated on his coxswain's plan I quite agree he said O BILL It is my duty and I will My daughter that enchanting gurl Has just been promised to an Earl And all my other familiee To peers of various degree But what are dukes and viscounts To The happiness of all my crew The word I gave you I'll fulfil It is my duty and I will As you desire it shall befall I'll settle thousands on you all And I shall be despite my hoard

Fifty "Bab" Ballads William Schwenck Gilbert, 1891 **The Bab Ballads with Which are Included Songs of a Savoyard** W. S. Gilbert, 2017-06-25 About thirty years since several of The Bab Ballads most of which had appeared from time to time in the pages of *Fun* were collected by me and published by Messrs George Routledge and Sons This volume passed through several editions and in due course was followed by a second series under the title of *More Bab Ballads* which achieved a popularity equal to that of its predecessor Subsequently excerpts were made from these two volumes and under the title of *Fifty Bab Ballads* had a very considerable sale but I soon discovered that in making the selection for this volume I had discarded certain Ballads that were greater favourites with my readers than with me Nevertheless this issue was followed by many editions English and American of *Bab Ballads* *More Bab Ballads* and *Fifty Bab Ballads* to the no little bewilderment of such of the public as had been good enough to concern themselves with my verses So it became desirable for our own private ends that this confusion should be definitely cleared up and thus it came to pass that a reissue of the two earlier collections in one volume was decided upon Some seven years since I collected the most popular of the songs and ballads which I had written for the series of light operas with which my name is associated and published them under the title of *Songs of a Savoyard* It recently occurred to me that these songs had so much in common with The Bab Ballads that it might be advisable to weld the two books into one This is briefly the history of the present volume I have always felt that many of the original illustrations to The Bab Ballads erred gravely in the direction of unnecessary extravagance This defect I have endeavoured to correct through the medium of the two hundred new drawings which I have designed for this volume I

am afraid I cannot claim for them any other recommendation W S GILBERT **Fifty 'Bab' ballads** sir William Schwenck Gilbert,1887 The Bab Ballads W S Gilbert,2019-07-16 The Bab Ballads is a collection of light verses by W S Gilbert illustrated with his own comic drawings The book takes its title from Gilbert s childhood nickname He later began to sign his illustrations Bab *The "Bab" Ballads* William Schwenck Gilbert,1999 *The Bab Ballads* W.
