

A classical painting depicting a Bacchic scene. In the foreground, a woman in a flowing, patterned dress is seated on the left, looking towards the center. Behind her, a group of figures, including men and women in classical attire, are engaged in various activities. Some are standing, some are seated, and some appear to be dancing or in motion. The background is filled with dense foliage and trees, creating a sense of a forest or garden setting. The overall style is characteristic of 18th or 19th-century academic painting.

Keener, 1992-06-01 Paul's letters stand at the center of the dispute over women the church and the home with each side championing passages from the Apostle Now in a challenging new attempt to wrestle with these thorny texts Craig Keener delves as deeply into the world of Paul and the apostles as anyone thus far Acknowledging that we must take the biblical text seriously and recognizing that Paul's letters arose in a specific time and place for a specific purpose Keener mines the historical lexical cultural and exegetical details behind Paul's words about women in the home and ministry to give us one of the most insightful expositions of the key Pauline passages in years

Heslin, 2005-08-11 Statius' *Achilleid* is a playful witty and open ended epic in the manner of Ovid As we follow Achilles' metamorphosis from wild boy to demure girl to lover to hero the poet brilliantly illustrates a series of contrasting codes of behaviour male and female epic and elegiac This first full length study of the poem addresses not only the narrative itself but also sets the myth of Achilles on Scyros within a broad interpretive framework The exploration ranges from the reception of the *Achilleid* in Baroque opera to the anthropological parallels that have been adduced to explain Achilles' transvestism The study's expansive approach which includes Ovid and Ovidian reception psychoanalytic perspectives and theorizations of gender in antiquity makes it essential reading not only for students of Statius but for students of Latin literature and of gender in antiquity **Idol Meat in Corinth** Wendell Willis, 2004-06-15 This work has several objectives to
