General Electric Review General Electric Company, 1914 **The Contemporary Small Press** Georgina Colby, Kaja Marczewska, Leigh Wilson, 2021-01-04 The Contemporary Small Press Making Publishing Visible addresses the contemporary literary small press in the US and UK from the perspective of a range of disciplines Covering numerous aspects of small press publishing poetry and fiction children's publishing the importance of ethical commitments the relation to the mainstream the attitudes of those working for presses the role of the state in supporting presses scholars from literary criticism the sociology

of literature and publishing studies demonstrate how a variety of approaches and methods are needed to fully understand the contemporary small press and its significance for literary studies and for broader literary culture *The Metal Industry*, 1911 Includes monthly Abstracts of recent literature relating to non ferrous and ferrous metals *Journal of Gas Lighting and Water Supply*, 1916 **The Anthem Companion to David Riesman** Peter Kivisto, 2025-11-11 The purpose of this proposed addition to the Anthem Companions series is to add another title to a growing list of well received publications including the author's prior contribution on Robert E Park In so doing the goal is to reconnect some scholars to Riesman's legacy and to introduce him to others Specifically the book consists of an editor's introduction and seven contributed chapters **The Best American Essays 2013** Cheryl Strayed, Robert Atwan, 2013-10-08 Curated by the 1 New York Times bestselling author of *Wild* this volume shares intimate perspectives from some of today's most acclaimed writers As Cheryl Strayed explains in her introduction the invisible unwritten last line of every essay should be and nothing was ever the same again The reader in other words should feel the ground shift if even only a bit In this edition of the acclaimed anthology series Strayed has gathered twenty six essays that each capture an inexorable tectonic shift in life Personal and deeply perceptive this collection examines a broad range of life experiences from a man's relationship with Mormonism to a woman's search for a serial killer from listening to the music of Joni Mitchell to surviving five months at sea from triaging injured soldiers to giving birth to a daughter and much more The Best American Essays 2013 includes entries by Alice Munro Zadie Smith John Jeremiah Sullivan Dagoberto Gilb Vicki Wei Qi Yang J D Daniels Michelle Mirsky and others **The Gas Engineer's Magazine**, 1929 *Underbelly Hoops* Carson Cunningham, 2012-01-16 UNDERBELLY HOOPS covers Carson Cunningham's final season in the storied and now defunct Continental Basketball Association CBA In the process it takes a sober look at minor league professional basketball as Cunningham tries to navigate a poor relationship with his coach and yet finish his career on his own terms by playing a final season and winning a championship As UNDERBELLY HOOPS shows the CBA was a realm where hopeful players desperately hung on and crusty motels might very well have no clocks It was a place where a trainer could be ordered to fill the visiting team's cooler with warm shower water and a coach might tell a player namely Cunningham that he was focusing too much on his marriage and child rather than basketball It was also a place where entire hotel wings could become saturated with the pungent smell of marijuana And yet even as it chipped away at your dignity and made little economic sense to remain the CBA drew you in with the allure of action and the prospect of an NBA call up And it could inspire like when you and your teammates caught a rhythm that made you remember why basketball is such a beautiful game or when you saw guys continue to strive to persevere even if their dreams weren't fully realized The hoops answer to *Ball Four* By turns funny and poignant and always self aware this book allows fans into the locker room and huddle yes but also into the cortex of a professional basketball player If Carson Cunningham could have jumped run and created his shot off the dribble as masterfully as he writes and observes he'd be starring in the NBA L Jon
