

THE  
**ECONOMICS**  
OF  
**PROSTITUTION**

**Helen Reynolds, Ph.D.**

*Visiting Scholar, Institute of Criminology  
Cambridge University*

Looking at prostitution from an economic point of view, this book explains how market decisions are made in this oldest of professions. The author shows how the legal and social structure of the community provide the incentives (money) and disincentives (criminal penalties). In the core of the text, she documents the four major environmental models for prostitution in the United States. These are: *laissez faire*, in which prostitution is illegal but tolerated; *regulation*, in which it is lawful but closely monitored; *control*, in which rigorous law enforcement suppresses obvious prostitution; and *zoning*, in which nominally illicit prostitution is allowed, but only within a circumscribed area. Thus are offered a sound theoretical understanding of the economics of prostitution and, just as important, practical methods for officially coping with a phenomenon that, regardless of its legal status, will not go away.

## **The Economics Of Prostitution:**

**The Economics of Prostitution** Helen Reynolds, 1986

**The Oxford Handbook of the Economics of Prostitution**

Scott Cunningham, Manisha Shah, 2016 Prostitution bears the unique title of being both the world's oldest profession and one of the least understood occupations. Unlike most of the crime and family literature, prostitution appears to have all the features of traditional markets: prices, supply and demand, considerations of variety in the organizational structure, and policy relevance. Despite this, economists have largely ignored prostitution in their research and writings. This has been changing, however, over the last twenty years as greater access to data has enabled economists to build better theories and gain a better understanding of the organization of the sex market. The Oxford Handbook of the Economics of Prostitution fills the gap in our understanding. It brings together many of the top researchers in the field who explain how the prostitution markets are organized across space and time, the role of technology in shaping labor supply and demand, the intersection of prostitution with trafficking, and the optimal use of law enforcement. What makes the material unique is its explicit focus on economics as the primary methodology for organizing our understanding of prostitution. The Handbook brings to scholars' attention for the first time a collection of original writings on prostitution that provides an overview of what is known and what is not known in this area. Researchers with an interest in underground markets, labor economics, risky behaviors, marriage, and gender will find the book's contents illuminating and path breaking.

The Oxford Handbook of the Economics of Prostitution Scott Cunningham, Manisha Shah, 2016-08-10 Prostitution bears the unique title of being both the world's oldest profession and one of the least understood occupations. The Oxford Handbook of the Economics of Prostitution fills the gap in our understanding. It brings together many of the top researchers in the field who explain how the prostitution markets are organized across space and time, the role of technology in shaping labor supply and demand, the intersection of prostitution with trafficking, and the optimal use of law enforcement. Mini Symposium on the Economics of Prostitution, 2010

**The Economy of Prostitution in the Roman World**

Thomas McGinn, 2010-03-25 In recent years a number of classical scholars have turned their attention to prostitution in the ancient world. Close examination of the social and legal position of Roman meretrices and Greek hetairai have enriched our understanding of ancient sexual relationships and the status of women in these societies. These studies have focused, however, almost exclusively on the legal and literary evidence. McGinn approaches the issues from a new direction by studying the physical venues that existed for the sale of sex in the context of the Roman economy. Combining textual and material evidence, he provides a detailed study of Roman brothels and other venues of venal sex, from imperial palaces and private houses to taverns, circuses, and back alleys, focusing on their forms, functions, and urban locations. The book covers the central period of Roman history, roughly from 200 B.C. to A.D. 250. It will especially interest social and legal historians of the ancient world and students of gender, sexuality, and the

**Economics Uncut** Simon W. Bowmaker, 2006-01-01 Economics Uncut A Complete Guide to Life Death and Misadventure edited by Simon Bowmaker contains several delightful chapters on topics central to economics and the family Although the book's implicit thesis is to dazzle with the catholicity of economics the chapters on marriage and divorce reproduction suicide and abortion are lively introductions to these family topics and other chapters make delightful reading on their own Darius Conger Economics and the American Family A Review of Recent Literature Choice This volume collects a wide array of economic explanations of social issues that are often thought to be beyond the realm of economic explanation This work will be valuable reading for general readers and undergraduate students Graduate students in social sciences other than economics will find accessible economic explanations of many issues in their fields Highly recommended R B Emmett Choice Expertly compiled and deftly edited by Simon W Bowmaker Economics Uncut A Complete Guide to Life Death and Misadventure features informed and informative essays and seminal articles by eighteen accomplished economists on a variety of economic issues A superbly organized and presented compendium of seminal studies and commentaries adhering to high academic standards of methodology and reporting Economics Uncut is an important and strongly recommended addition to academic library Economic Studies reference collection as well as being quite accessible to the non specialist general reader with an interest in the economic implications and impacts with respect to the social issues of the present day Library Bookwatch Internet Bookwatch The book's variety of subject matter combined with its innovative yet academic approach makes it both entertaining as well as thought provoking Emma Winberg Economic Affairs Economics Uncut presents itself as a complete guide to Life Death and Misadventure Whatever the specific chapter topic from pornography to crime from suicide to assisted reproduction cost benefit analyses abound demand and supply relations are discussed in an attempt to rationalize consumer preferences choice and price levels and thus complex relationships are neatly reduced to mathematical equations with tables and graphs being plentiful Werner Bonefeld Journal of Contemporary European Studies If you thought you could hide your secrets from the prying eyes of economists think again From sex to drugs to gambling to crime this book will show you how the tools of economics can be used to understand just about any human behavior This book will assuredly be the unofficial economist's guide to vice for the foreseeable future Steven Levitt University of Chicago and author of Freakonomics In this insightful and entertaining book Simon Bowmaker introduces readers to the fascinating side of modern economics that applies economic analysis to a wide range of social issues from illegal drugs to religion and everything in between In this form economics is anything but the dismal science This is a fun and enlightening book that shows readers what many economists often forget that economics is a powerful tool for understanding the world around them Kevin M Murphy University of Chicago US Economics is generally associated with the financial pages of newspapers apart from front page discussion of major topics such as inflation budget deficits or unemployment However the topics discussed in many of

the other pages of a typical newspaper such as crime divorce or sport are also appropriate for economic analysis Economics is concerned with decisions and many important topics in today's society involve taking drugs or committing a crime or getting a divorce for example and so can be examined from an economic point of view Many of these areas can be considered from different directions legal medical political religious sociological or psychological for *Sex Markets* Marina Della Giusta, Maria Di Tommaso, Steinar Strøm, 2008-03-03 Empirical and mathematically rigorous this book provides an analytical economic study of the supply and demand of prostitution rather than focusing on the sociological and cultural themes

*Demanding Sex: Critical Reflections on the Regulation of Prostitution* Marina Della Giusta, 2016-05-13 Interrogating supply demand from an inter and multi disciplinary perspective this collection broadens engagement beyond the routine analysis of the locus of violence in prostitution and the validity of the prostitute's consent A focus on the supply demand dynamic brings into play a range of other societal economic and psychological factors such as the social construction of sexuality the viability of alternative choices for prostitutes and clients and the impact of regulatory regimes on the provision of sexual services The factors which underlie each component of the supply demand dyad are also studied and an examination is made of their dynamic interrelation The collection emphasizes the importance of rendering policy makers alert to the evidence emerging from empirical studies conducted in different fields of enquiry in the hope of moving beyond polarity and politics at the local national and international level ***Prostitution, Harm and Gender Inequality*** Maddy Coy, 2016-04-08 Prostitution Harm and Gender Inequality brings together international research exploring the range of gendered harms to women involved in prostitution and the consequences of growth of the sex industry for global gender relations While there is an increasing amount of research and academic output on prostitution the current focus is often on discussion and critique of policy frameworks and contemporary debates over harm are largely limited to sex trafficking and sexual exploitation of children Less attention is paid to questions of how the sex industry perpetuates notions of objectification and male entitlement with respect to sexual access to women's bodies despite being key feminist concerns for several decades This position has become effectively marginalized but the global growth and industrialization of the sex industry requires a return to these questions Through exploring gendered inequality and re engaging with an understanding of prostitution as harmful with impacts on the self and body that are experienced as abusive but do not always constitute violence this book introduces a range of research and thinking while also drawing on existing literature to explore the consequences of prostitution for women in the sex industry and wider gender relations These issues are discussed with regard to coercion and recruitment including trafficking notions of male entitlement in accounts of men who buy sex critical interrogations of agency and choice legal and policy frameworks and representations of prostitution in popular culture

*Essays on the Economics of Prostitution and Sex Crimes* Riccardo Ciacci, 2018 This thesis consists of three chapters devoted to analyse the determinants of prostitution and sex crimes The first chapter jointly co authored with Micaela

Sviatschi Princeton finds evidence that adult entertainment establishments and sex crimes behave as substitutes We build a daily panel that combines the exact location of not self reported sex crimes with the day of opening and exact location of adult entertainment establishments in New York City We find that these businesses decrease daily sex crime by 13% per police precinct The results imply that the reduction is mostly driven by potential sex offenders frequenting these establishments rather than committing crimes The second chapter shows that improving prostitutes outside options deter prostitution Specifically this chapter fills the gap between two strands of the literature suggesting that unilateral divorce should decrease prostitution as a result of higher wives welfare I build a unique panel data set for the U S to test this prediction Differences in the timing of entry into force of unilateral divorce laws across U S states provide a quasi experimental setting allowing to estimate the effect of unilateral divorce laws on female prostitution proxied by female prostitutes arrests Using a diff in diff estimation approach I find that unilateral divorce reduces prostitution by about 10% I explore several mechanisms that could rationalize my findings The mechanism that fits best the empirical evidence is one where unilateral divorce improves the option value of getting married by increasing wives welfare As a result the supply of prostitution declines Finally in the third chapter I rely on a recent economic literature including Chapter 1 of this thesis reporting evidence on how sex crime and prostitution behave as substitutable activities This chapter makes use of variation in fines for sex purchase in Sweden to analyse the relationship between criminalising the purchase of prostitution and rape and finds that higher fines for sex purchase increase rape on impact *Sex and the contract* Vincenzo

Zeno-Zencovich,2015-10-01 DOI 10 13134 978 88 97524 45 8 **Research Handbook on the Economics of Family Law**  
 Lloyd R. Cohen,Joshua D. Wright,2011-01-01 Those not learned in the economic arts believe that economics is either solely or essentially concerned with commercial relations And so it was originally Then in the second half of the 20th century economists began applying their minimalist but sturdy tools to other human activities such as marriage child bearing crime religion and social groups In this spirit the Research Handbook on the Economics of Family Law gives us a series of original essays by distinguished scholars in economics law or both The essays represent a variety of approaches to the field Many contain extensive surveys of the literature with respect to the particular question they address Some employ empirical economics others are more narrowly legal They have in common one thing each scholar employs a core economic tool or insight to shed light on some aspect of family law and social institutions broadly understood Topics covered include divorce child support infant feeding abortion access prostitution the decline in marriage birth control and incentives for partnering This comprehensive and enlightening volume will be a valuable reference for those interested in law and economics generally and family law in particular **Elgar Encyclopedia on the Economics of Competition, Regulation and Antitrust**  
 Michael D. Noel,2024-12-09 Providing an extensive overview of the literature the Elgar Encyclopedia on the Economics of Competition Regulation and Antitrust examines perspectives on the many interrelated issues in competition economics

*The Economics of Sin* Samuel Cameron, 2002-01-01 This work examines the definition and evolution of sin from the perspective of rational choice economics The author argues that because engaging in activities deemed to be sinful is an act of choice it can therefore be subject to the logic of choice in the economic model      **Boston Medical and Surgical Journal** ,1895      **The Boston Medical and Surgical Journal** ,1895      *The New England Journal of Medicine* ,1895      **Studies in the Psychology of Sex** Havelock Ellis, 1929      **Sex in Relation to Society** Havelock Ellis, 1910      *Studies in the psychology of sex. v.6, 1911* Havelock Ellis, 1910

The Captivating Realm of E-book Books: A Detailed Guide Revealing the Pros of E-book Books: A World of Ease and Flexibility Kindle books, with their inherent mobility and ease of access, have freed readers from the limitations of physical books. Gone are the days of lugging bulky novels or meticulously searching for particular titles in bookstores. E-book devices, stylish and lightweight, effortlessly store an wide library of books, allowing readers to indulge in their favorite reads whenever, anywhere. Whether commuting on a bustling train, lounging on a sunny beach, or simply cozying up in bed, E-book books provide an unparalleled level of convenience. A Reading Universe Unfolded: Discovering the Wide Array of E-book The Economics Of Prostitution The Economics Of Prostitution The Kindle Store, a digital treasure trove of bookish gems, boasts an extensive collection of books spanning diverse genres, catering to every readers taste and preference. From captivating fiction and mind-stimulating non-fiction to classic classics and contemporary bestsellers, the Kindle Store offers an unparalleled abundance of titles to explore. Whether looking for escape through immersive tales of fantasy and adventure, diving into the depths of historical narratives, or expanding ones knowledge with insightful works of scientific and philosophical, the E-book Store provides a doorway to a literary universe brimming with endless possibilities. ### **The Economics Of Prostitution Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Economics Of Prostitution has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Economics Of Prostitution has opened up a world of possibilities. Downloading The Economics Of Prostitution provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate

access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Economics Of Prostitution has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Economics Of Prostitution. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Economics Of Prostitution. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Economics Of Prostitution, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Economics Of Prostitution has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About The Economics Of Prostitution Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
