Casey, 2017-07-12 From one of continental philosophy s most distinctive voices comes a creative contribution to spatial studies environmental philosophy and

phenomenology Edward S Casey identifies how important edges are to us not only in terms of how we perceive our world but in our cognitive artistic and sociopolitical attentions to it We live in a world that is constantly on edge yet edges as such are rarely explored Casey systematically describes the major and minor edges that configure the human and other than human realms including our everyday experience He also explores edges in high stakes situations such as those that emerge in natural disasters moments of political and economic upheaval and encroaching climate change Casey s work enables a more lucid understanding of the edge world that is a necessary part of living in a shared global environment Exploring the Work of Edward S. Casey Azucena Cruz-Pierre,Donald A. Landes,2013-08-15 From his initial writings on imagination and memory to his recent studies of the glance and the edge the work of American philosopher Edward S Casey continues to shape 20th century philosophy In this first study dedicated to his rich body of work distinguished scholars from philosophy urban studies and architecture as well as artists engage with Casey s research and ideas to explore the key themes and variations of his contribution to the humanities Structured into three major parts the volume reflects the central concerns of Casey s writings an evolving phenomenology of imagination memory and place representation and landscape painting and art and edges glances and voice Each part begins with an extended interview that defines and explains the topics concepts and stakes of each area of research Readers are thus offered an introduction to Casey s fascinating body of work and will gain a new insight into particular aspects and applications of Casey s research With a complete bibliography and an introduction that at once stresses each of Casey s areas of research while putting into perspective their overarching themes this authoritative volume identifies the overall coherence and interconnections of Edward S Casey s work and his impact on contemporary thought Up Against the Wall Edward S. Casey,Mary Watkins,2014-09-01 As increasing global economic disparities violence and climate change provoke a rising tide of forced migration many countries and local communities are responding by building walls literal and metaphorical between citizens and newcomers Up Against the Wall Re imagining the U S Mexico Border examines the temptation to construct such walls through a penetrating analysis of the U S wall at the U S Mexico border as well as investigating the walling out of Mexicans in local communities Calling into question the building of a wall against a friendly neighboring nation Up Against the Wall offers an analysis of the differences between borders and boundaries This analysis opens the way to envisioning alternatives to the stark and policed divisions that are imposed by walls of all kinds Tracing the consequences of imperialism and colonization as citizens grapple with new migrant neighbors the book paints compelling examples from key locales affected by the wall Nogales Arizona vs Nogales Sonora Tijuana San Diego and the lower Rio Grande Valley of Texas An extended case study of Santa Barbara describes the creation of an internal colony in the aftermath of the U S conquest of Mexican land a history that is relevant to many U S cities and towns Ranging from human rights issues in the wake of massive global migration to the role of national restorative shame in the United States for the treatment of Mexicans since 1848 the authors delve into the broad repercussions of the unjust and

often tragic consequences of excluding others through walled structures along with the withholding of citizenship and full societal inclusion Through the lens of a detailed examination of forced migration from Mexico to the United States this transdisciplinary text drawing on philosophy psychology and political theory opens up multiple insights into how nations and communities can coexist with more justice and more compassion Living on the Edge Elizabeth Wilde

McCormick,2002-01-30 This is a complex book It offers clarification and a sense of reassurance but does not intend to provide answers and is not for those seeking concrete direction This will be a powerful read for many in a place of loss chaos or existential angst Alison Cooper Psychotherapy and Counselling Drawing on sources as diverse as medical and psychological theory anthropology religious and spiritual tradition art and poetry experienced psychotherapist Elizabeth Wilde McCormick explores the different elements of the edge the images dangers safe places and offers a unique handbook which charts that often lonely and alien territory The Edge of Over There Shawn Smucker,2018-07-03 The captivating

sequel to the award winning *The Day the Angels Fell Before the Tree of Life* everything in Abra Miller's life had been predictable But after the Tree and the lightning and the angels everything felt tenuous like holding a soap bubble in the palm of her hand She spent years looking for signs of that other world waiting for it to break through When it didn't her friendship with Sam Chambers grew cold and distant and they both wondered how any of it could actually have happened Four years later 16 year old Abra's long delayed quest to find the next manifestation of the Tree of Life is renewed when she sees a woman walking up the road a woman who looks exactly like Sam's dead mother The woman directs her to New Orleans where she will find the grave of Marie Laveau one of seven gateways between this world and Over There As Abra enters The Edge of Over There and begins her pursuit of the Tree once more she doesn't know whom to fear or whom to trust But she's starting to think that some doorways should never be opened *The Intelligence of Place* Jeff Malpas,2015-10-22 Place has

become a widespread concept in contemporary work in the humanities creative arts and social sciences Yet in spite of its centrality place remains a concept more often deployed than interrogated and there are relatively few works that focus directly on the concept of place as such *The Intelligence of Place* fills this gap providing an exploration of place from various perspectives encompassing anthropology architecture geography media philosophy and the arts and as it stands in relation to a range of other concepts Drawing together many of the key thinkers currently writing on the topic *The Intelligence of Place* offers a unique point of entry into the contemporary thinking of place into its topographies and poetics providing new insights into a concept crucial to understanding our world and ourselves **Merleau-Ponty and Environmental**

Philosophy Suzanne L. Cataldi,William S. Hamrick,2007-04-24 This richly diverse collection looks at the contemporary relevance of the philosophy of Maurice Merleau-Ponty to environmental issues and builds a coherent philosophical ecology based on his thought The contributors describe and analyze relations within the natural world by focusing on the centrality of relations in Merleau-Ponty's work his concept of the bond between humanity and nature and his novel philosophies of

perception embodiment and wild Being Eco phenomenologies of living places such as Central Park in New York City Midwestern farmlands and communal household dwellings of Pacific Northwest Coast people are closely examined The contributors also explore Merleau Ponty s philosophy for environmental ethics and develop notions such as vital values somatic empathy and interspecies sociality [Tarot Mysticism](#) Joe Monteleone,2025-01-08 Explore the Mysteries of Tarot Qabalah Numerology and Non Duality in a New Way Joe Monteleone takes you beyond the usual divinatory topics and into the realm of mysticism He presents Aleister Crowley s Thoth Tarot as a tool for mystical insight through which you can experience the deeper mysteries directly Joe reveals a life changing concept your thoughts and the physical world appear to be separate realms but they re not He teaches you how to unify them using the Thoth Tarot and achieve a mystical experience a sort of ecstasis akin to those experienced by monks sages and philosophers of antiquity Tarot Mysticism guides you through the Thoth Tarot providing each card s symbolism and connections to Qabalah numerology and occult philosophy This book also features illustrations practical exercises and historical research to enhance your journey toward enlightenment With Joe s guidance you can traverse different levels of consciousness understand symbolism with higher sophistication and realize the unity between the universe and yourself **The Classroom Teacher as Art Coach** Eloiese Krabbenhoft,2002 There is a difference between providing students with an art experience and teaching art Classroom teachers as well as art specialists will appreciate information on art basics classroom management criteria and rubric for evaluating art work and a strategy for learning to draw Click here to preview the first 25 pages in Acrobat PDF format

Ten Years of Idiographic Science Sergio Salvatore,Jaan Valsiner,2023-01-01 The first volume of the Yearbook of Idiographic Science YIS was published on 2009 In a nutshell the idea at the grounds of the YIS project is that idiography and nomothetic are not juxtaposed logics and that the science cannot but be both nomothetic in the aim and idiographic in the modes About thirteen years later the sense and the direction of the YIS project envisaged in the first volume s introduction together with the difficulties to pursue it are still alive and valid Thus to both celebrate the milestone

of the tenth issue and to plan the future we asked to some colleagues almost all contributors of previous volumes to discuss what idiographic science means today and what can mean tomorrow The works they have generously provided are very instructive each of them pictures a peculiar perspective on idiography that enables to recognize old and new challenges thus paving the way to innovative ideas and directions

Nearest Thing to Heaven Lynnette Austin, 2013-10-01 The Cowboy and the City Girl Sophie London hates Texas The longhorns freak her out and the wide open spaces are more unnerving than a Chicago alleyway at night But Sophie wouldn't miss her cousin's wedding for the world even if it means returning to Maverick Junction and to the dangerously irresistible Ty Rawlins A single father of rambunctious triplet boys Ty knows trouble when he sees it and Sophie's got it written all over her Yet he's never been able to stop thinking about her even after their one brief meeting Maybe fate is giving him a second chance But if Ty wants Sophie to swap her stilettos for cowgirl boots they'll each have to face the past together
