The Diffusion of Electronic Data Interchange Hagen K.C. Pfeiffer, 2012-12-06 This book documents the research I conducted on the subject of Electronic Data Interchange during my time at the Institute of Business Informatics University of Berne Switzerland In this effort I enjoyed a great deal of help from numerous others including professional colleagues interview partners and members of my family Even though I cannot possibly mention them all I would like to express my sincere gratitude for their selfless support Above all I am grateful to Prof Dr Gerhard Knolmayer who contributed to the book both in its formative stages and throughout its development He has been an unwavering source of encouragement during the many difficult stages of the investigation and I greatly benefitted from our discussions of the subject matter Moreover he was extremely generous with his time in carefully reviewing all the five chapters The financial support for this book came from the Hasler Foundation in Berne I wish to thank the Foundation and especially its Managing Director Dr P A Jaeger for funding the empirical part of the research project Likewise I am grateful to the University of Berne for providing me with the necessary computer and other resources The Institute of Business Informatics should be commended particularly for its very stimulating work environment Web-Based and Traditional Outsourcing Vivek Sharma, Varun Sharma, K.S.
