

# The Eisenhowers

**Herbert S. Parmet**

## **The Eisenhowers:**

God in Eisenhower's Life, Military Career, and Presidency Jerry Bergman, 2019-03-22 As the Supreme Allied Commander in the fight against the Nazis General Dwight Eisenhower was one of the most important leaders of the last century His position as a five star general was crucial in achieving a positive outcome in World War II Today he is considered one of the most respected US presidents but the critical role that his religious beliefs played in his life and work is widely ignored As one historian wrote Eisenhower was the most religious president in the twentieth century He was critical in influencing the nation s enlarged accommodation to faith specifically the Christian faith The central role Eisenhower s faith played in his life from growing up in Abilene Kansas to becoming the most powerful leader in the world is thoroughly documented for the first time in this book Indeed Eisenhower s belief in God made him who he was and allowed him to achieve the work that made him one of the most respected leaders of the free world This book sets the record straight about common erroneous beliefs concerning President Eisenhower and his family It is necessary to understand the forces that shaped him so we can put his life and many achievements into perspective Eisenhower's Gettysburg Farm Michael J. Birkner and Carol A. Hegeman with Kevin Lavery, Foreword by Susan Eisenhower, 2017 The Eisenhower farm was the first and only home that Dwight Eisenhower and his wife Mamie called their own During Eisenhower s military career he and Mamie lived around the world but he always hoped to own a piece of property and leave it better than he found it That wish led to the purchase of the Allen Redding farm in 1950 and the Eisenhowers thorough renovation of its dwelling During Eisenhower s presidency the farm served as a retreat from the Washington pressure cooker When his presidential term ended the Eisenhowers embraced a new chapter in their lives together Eisenhower maintained an active schedule of writing speechmaking correspondence and meetings with a wide range of national and world leaders as well as supervision of an active farm operation Mamie and Dwight shared a busy social life in retirement taking special pleasure in spending time with their son John daughter in law Barbara and four grandchildren This book tells the Eisenhowers Gettysburg story *Eisenhower in War and Peace* Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full rich and revealing as anything ever written about America s thirty fourth president Here is Eisenhower the young dreamer charting a course from Abilene Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike s maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower s superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike s finances details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith s chronicle of Eisenhower s presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower

emerges in Smith's perceptive retelling as both a canny politician and a skillful decisive leader. He managed not only to keep the peace but also to enhance America's prestige in the Middle East and throughout the world. Unmatched in insight, Eisenhower in War and Peace at last gives us an Eisenhower for our time and for the ages. NATIONAL BESTSELLER. Praise for Eisenhower in War and Peace: A fine new biography. Eisenhower's White House years need a more thorough exploration than many previous biographers have given them. Smith, whose long distinguished career includes superb one-volume biographies of Grant and Franklin Roosevelt, provides just that. The Washington Post: Highly readable. Smith shows us that Eisenhower's ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements. The Wall Street Journal: Always engrossing. Smith portrays a genuinely admirable Eisenhower: smart, congenial, unpretentious, and no ideologue. Despite competing biographies from Ambrose Perret and D. Este, this is the best. Publishers Weekly: starred review. No one has written so heroic a biography on Eisenhower as this year's Eisenhower in War and Peace by Jean Edward Smith. The National Interest: Dwight Eisenhower, who was more cunning than he allowed, his adversaries to know understood the advantage of being underestimated. Jean Edward Smith demonstrates precisely how successful this stratagem was. Smith, America's greatest living biographer, shows why now more than ever Americans should like Ike. George F. Will. **Dwight D. Eisenhower** Jean Darby, 1989-01-01. A biography of the commanding general of the Allied forces in Europe during World War II who became the thirty-fourth president of the United States. *Shame and Humiliation* Blema S. Steinberg, 1996-04-16. Steinberg focuses on the narcissistic personality, identifying it as intensely self-involved and preoccupied with success and recognition as a substitute for parental love. She asserts that narcissistic leaders are most likely to use force when they fear being humiliated for failing to act and when they need to restore their diminished sense of self-worth. Providing case studies of Johnson, Nixon, and Eisenhower, Steinberg describes the childhood maturation and career of each president, documenting key personality attributes and then discusses each one's Vietnam policy in light of these traits. She contends that Johnson authorized the bombing of Vietnam in part because he feared the humiliation that would come from inaction and that Nixon escalated U.S. intervention in Cambodia in part because of his low sense of self-esteem. Steinberg contrasts these two presidents with Eisenhower, who was psychologically secure and was therefore able to carry out a careful and thoughtful analysis of the problem he faced in Indochina. *Shame and Humiliation* reveals how personality traits affect our perception of reality and offers a powerful demonstration of the impact of psychodynamics on presidential decision making. **Eisenhower and the American Crusades** Herbert S. Parmet, 2019-08-08. Herbert S. Parmet's *Eisenhower and the American Crusades* is a major assessment of the American presidency during the critical period of America at mid-century. The book follows the career of General Dwight D. Eisenhower from 1952, when he decided to leave his NATO command to campaign for the presidency, to his retirement at Gettysburg nearly nine years later. His entry into politics was well timed. A mood of conservatism was sweeping

the country surveys indicated that the majority of Americans felt it was time for a change from two decades of executive control by those who had permitted events to get out of hand Parmet based his study of the Eisenhower years on massive research conversations with leading figures of the era and previously unreleased documents This wealth of material has enabled him to provide answers to questions frequently asked about the thirty fourth president Was Eisenhower the kind fatherly man millions grew up to love on their television or was this an image created by a shrewd politician who knew what the country needed in a trying time Did he choose Richard Nixon as a running mate or was Nixon forced upon him by political necessities Was the president intimidated by the appearance of power of Joseph McCarthy and did the Army McCarthy hearings influence Eisenhower s decision to involve the United States in Vietnam Was Eisenhower concerned with the lack of progress in civil rights Was he the right man for the right time in history or was he merely postponing the major crises of the 1960s Parmet offers a convincing refutation of the idea of the Eisenhower years as being placid or boring No years that contained McCarthy and McCarthyism a war in Korea constant fears of nuclear annihilation and spreading racial violence could be so described For Parmet Eisenhower was a stabilizing force in a time of conflict He may not have been a political genius but he knew perhaps better than anyone else around him exactly what the people wanted and how they wanted it

**The Papers of Dwight David Eisenhower** Dwight David Eisenhower,2001 **Eisenhower Volume I** Stephen E. Ambrose,2014-03-18 Stephen E Ambrose draws upon extensive sources an unprecedented degree of scholarship and numerous interviews with Dwight D Eisenhower himself to offer the fullest richest and most objective rendering yet of the soldier who became president At various times in his life Eisenhower was a soldier at wartime the Chief of Staff patron to the North American Treaty Organization president of Columbia University and the Supreme Commander of the United States However he was also a father son husband and friend This deeply personal biography concerns itself less with the life and times of Eisenhower and more on the man himself his achievements and triumphs failures and concerns as well as his relationships with those closest to him A charismatic leader with a high degree of intelligence integrity tremendous energy and a commitment to basic principles that drew soldiers civilians and foreigners alike to him Eisenhower was also ambitious sensitive to criticism and avid sportsman who was terribly loyal to his friends and family Ultimately Ambrose presents a masterful portrait of Eisenhower that finely delves into his personal life during his presidency the onset of the Cold war and as the leader of a rapidly evolving nation struggling with issues as diverse as civil rights atomic weapons and a new global role Ambrose shows what an extraordinary person Eisenhower was and the extent to which many who live in freedom today owe to him This superb interpretation of Eisenhower s life confirms Stephen Ambrose s position as one of the nation s finest historians *Special List* ,1960 Eisenhower Volume II Stephen E. Ambrose,2014-03-18 Stephen E Ambrose draws upon extensive sources an unprecedented degree of scholarship and numerous interviews with Dwight D Eisenhower himself to offer the fullest richest and most objective rendering yet of the soldier who became president Eisenhower The President the

second and concluding volume of Stephen Ambrose's brilliant biography is the first assessment of a postwar President based on access to the entire record. It covers a wide range of subjects including Eisenhower's rejection of the near unanimous advice he received as President to use atomic weapons, his thinking on defense policy and the Cold War, his handling of a multitude of foreign affairs crises, his attitudes and actions on civil rights, his views on Joseph McCarthy and on communism. Also illuminated are Eisenhower's relations with Nixon, Truman, Khrushchev, de Gaulle and other world leaders. Ambrose provides us with an extraordinary portrait, fairminded and enormously well informed of the man, both decent and complex, who is increasingly regarded as one of the twentieth century's greatest Presidents. Eisenhower at Columbia Travis Jacobs, 2018-01-18 From the beginning of World War II until he left the White House in early 1961, Dwight David Eisenhower played a leadership role on the world stage. This was longer than any American since George Washington, Thomas Jefferson and John Adams. His Columbia presidency was part of this period, yet the story has not been told. Scholars have repeated earlier critical contemporary assessments and largely dismissed or ignored that part of his career. Jacobs seeks to answer many of the open-ended questions about Eisenhower's tenure as successor to Nicholas Murray Butler, whom many consider the greatest university president of the century. Jacobs examines previously unused sources to analyze Eisenhower's leadership and accomplishments, his goals and intentions, and whether his presidency at Columbia generally considered a failure, ever had a chance of succeeding. This insightful, well-written volume covers the years that played such a vital role in Dwight D. Eisenhower's journey to the White House. Jacobs reviews Eisenhower's appointment as chief of staff after his return from Europe after V-E Day and concurrently looks at Columbia's difficulties in its troubled search for a president. He examines the deliberations on both sides before Eisenhower's acceptance of Columbia's presidency and the circumstances surrounding his arrival and installation. Jacobs covers Eisenhower's subsequent leave of absence and return to duty at the Pentagon as NATO commander and the impact of his extended absence from Columbia. He resigned on the eve of his inauguration as president of the United States. Jacobs recounts the hostility of campus liberal intellectuals who had increasingly resented Eisenhower's presidency and were offended by the New York Times's endorsement of Eisenhower over Adlai E. Stevenson for the 1952 presidential campaign. Jacobs views Eisenhower's years as university president as playing a significant role in preparing him for his White House years. A thorough assessment of Eisenhower's career on Morningside Heights is long overdue. Jacobs' insights on Eisenhower's presidency at Columbia will be of interest to Eisenhower's biographers, college and university administrators, American studies students, and the general public curious about Eisenhower's public service as a civilian before he became U.S. president. *The First Ladies of F. D. Roosevelt, Truman, and Eisenhower*, 2008-09-01 In this packet, your students will find biographical sketches with detailed information followed by questions for discussion and research. Students will learn interesting and relevant facts about these First Ladies and will walk away with a new appreciation for the women that filled this role. Guide to the Presidency Michael Nelson, 2015-05-01

The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton s Inaugural Address and another which provides results from elections and polls and statistics from each office

**American First Ladies** Lewis L. Gould, 2014-02-04 This volume presents thirty nine interpretive biographical essays on all first ladies from Martha Washington to America s newest First Lady Laura Bush This new edition contains updated material on all the living First Ladies and updated bibliographies for each entry as well as a portrait of the newest First Lady

**Special List - National Archives and Records Service** United States. National Archives and Records Service, 1954

List of World War I Signal Corps Films United States. National Archives and Records Service, 1957

**Eisenhower** Carlo D'Este, 2015-11-24 The acclaimed biographer presents an intimate and comprehensive portrait of the legendary president and WWII general An excellent book The Washington Post Book World Born into hardscrabble poverty in rural Kansas the son of stern pacifists Dwight David Eisenhower graduated from high school more likely to teach history than to make it Yet he went on to become one of America s most important military leaders Then on the wings of victory the career soldier ascended to the nation s highest political office Casting new light on this profound evolution Carlo D Este chronicles the unlikely dramatic rise of the supreme Allied commander With full access to private papers and letters D Este has exposed for the first time the countless myths that have surrounded Eisenhower and his family for over fifty years In this revealing biography he identifies the complex and contradictory character behind Ike s famous grin and air of calm self assurance

*Mamie Doud Eisenhower* Marilyn Irvin Holt, 2007 A biography of Mamie Eisenhower who accomplished many things that were overlooked by her contemporaries and used her popularity to the benefit of her husband while changing the role of first lady and covers her experience as an army wife and how it prepared her for the White House during the McCarthy era

The Eisenhower Years: a Social History of the 1950'S Richard T. Stanley, 2012-06-15 The Fabulous Fifties were America s Happy Days The Eisenhower Years produced amazing contributions to our American culture and to other cultures around the world In so many ways Americans innovated and the world imitated from Elvis Presley and rock n roll to the Salk anti polio vaccine America s contributions to the world included motion pictures and the Broadway stage radio and

television amateur and professional sports jazz the blues country and Western music traditional ballads and popular songs and rock n roll domestic and international business and trade public and private educational opportunities and a rich and varied literature While Americans did not invent all these categories they nevertheless took each to new heights during the Eisenhower Years and shared their bounty with the world The Eisenhower Years generally speaking were happier more stable more prosperous more optimistic and simpler times then the preceding decades of the 1930 s and 40 s and the increasingly turbulent 1960 s and 70 s that followed In fact America s exuberance in so many areas of the arts and everyday life was omnipresent As for political and military achievements President Eisenhower kept us safely out of war and was wise enough to stay out of the way of Americas artists and entrepreneurs As a result the Eisenhower Years should forever be remembered as those Happy Days

**Generals in the Making** Benjamin Runkle, 2019-07-26 Shakespeare famously wrote that some men are born great some achieve greatness and some have greatness thrust upon them Part military history and part group biography *Generals in the Making* tells the amazing true story of how George Marshall Dwight Eisenhower Douglas MacArthur George Patton and their peers became the greatest generation of senior commanders in military history As the U S Army s triumphant homecoming from World War I was quickly forgotten amidst two decades filled with economic depression and growing isolationism Marshall Eisenhower MacArthur Patton Omar Bradley Lucian Truscott Matthew Ridgway and their brothers in arms toiled in a profession most Americans viewed with distrust Before they became legends these young officers served their country in posts from Washington D C to Panama from West Point to war torn China They taught and studied together in the Army s schools attempting to innovate in an era of shrinking budgets obsolete equipment and skeletal forces Beyond these professional challenges they endured shattering personal tragedies the sudden deaths of children or spouses divorce depression and court martial Yet when the world faced possibly its darkest hour as fascism and barbarism were on the march they stood ready to lead America s young men in the fight for civilization By the end of World War II even German commanders expressed amazement at the dynamic change in American military leadership since the Great War *Generals in the Making* is the first comprehensive history of America s World War II generals between the wars an invaluable prequel to every history of that war

This book delves into The Eisenhowers. The Eisenhowers is an essential topic that needs to be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into The Eisenhowers, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to The Eisenhowers
- Chapter 2: Essential Elements of The Eisenhowers
- Chapter 3: The Eisenhowers in Everyday Life
- Chapter 4: The Eisenhowers in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of The Eisenhowers. This chapter will explore what The Eisenhowers is, why The Eisenhowers is vital, and how to effectively learn about The Eisenhowers.
3. In chapter 2, this book will delve into the foundational concepts of The Eisenhowers. The second chapter will elucidate the essential principles that must be understood to grasp The Eisenhowers in its entirety.
4. In chapter 3, this book will examine the practical applications of The Eisenhowers in daily life. This chapter will showcase real-world examples of how The Eisenhowers can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of The Eisenhowers in specific contexts. The fourth chapter will explore how The Eisenhowers is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, the author will draw a conclusion about The Eisenhowers. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of The Eisenhowers.

## **The Eisenhowers Introduction**

In today's digital age, the availability of The Eisenhowers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Eisenhowers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Eisenhowers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Eisenhowers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Eisenhowers books and manuals for download are incredibly convenient. With just a

computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Eisenhowers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Eisenhowers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Eisenhowers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Eisenhowers books and manuals for download and embark on your journey of knowledge?
