*История государства Израиль, 1896-2002* Михаил Штереншис,2003 *Roots of Theological Anti-Semitism* Anders Gerdmar,2009 Exploring the link between German biblical interpretation and anti-Semitism this book is a fresh comprehensive study of leading German exegetes concluding that although Nazism brought anti-Semitic exegesis to a head age old thought structures provided powerful legitimation for oppression **Argentine Jews Or Jewish Argentines?** Raanan Rein,2010-01-01 This volume is devoted to Jewish Argentines in the twentieth century and deliberately avoids restrictive or prescriptive definitions of Jews and Judaism Instead it focuses on people whose identities include a Jewish component irrespective of social class and gender and regardless of whether they are religious or secular Ashkenazi or Sephardic or affiliated with the organized Jewish community *The Myth of the Medieval Jewish Moneylender* Julie L. Mell,2017-11-07 This book challenges a common historical narrative which portrays medieval Jews as moneylenders who filled an essential economic role in Europe Where Volume I traced the development of the narrative in the nineteenth and twentieth centuries and refuted it with an in depth study of English Jewry Volume II explores the significance of dissolving the Jewish narrative for European history It extends the study from England to northern France the Mediterranean and central Europe and deploys the methodologies of legal cultural and religious history alongside economic history Each chapter offers a novel interpretation of key topics such as the Christian usury campaign the commercial revolution and gift economy profit economy to demonstrate how the revision of Jewish history leads to new insights in European history **New Perspectives on Israeli History** Laurence J. Silberstein,1991-10 A reexamination of the critical issues surrounding the birth of Israel American Book Publishing Record ,1995 *Agents of Change* Adam S. Ferziger,2025-07-29 The rise of moderate Orthodox Judaism in Israel and the key role of Americans in its emergence The conservative ultra Orthodox and redemptive Kook camps hold sway over religious matters in Israel Yet from the mid 1960s to the early 1980s a small cadre of American immigrants arrived in Israel and established or led a range of educational institutions that trained thousands of advanced students and laid the ideological foundations for an Israeli moderate religious stream In *Agents of Change* Adam S. Ferziger highlights the parts played by these Americans in promoting the rise of a transnational community of moderate Jewish Orthodoxy Analyzing the novel outlooks that have found expression in central areas of debates from women's engagements in religious and public life and approaches to the gay and lesbian community to interactions with non Orthodox denominations and attitudes toward academic Jewish studies Ferziger illuminates both shifting religious dynamics in Israel as a result of this rise in moderate Orthodoxy as well as the changing relationship between Israeli and American Judaism's challenging current understandings which see the Jewish communities of the two nations as drifting apart Though a minority in Israel this vocal Orthodox community with a more moderate take on key issues is significant in potentially paving the way

for social change Increasingly their influence is being felt Shedding light on the impact of American migration in forming a burgeoning moderate religious direction in Israeli life that has challenged the hegemony of the long dominant direction within Religious Zionism Agents of Change offers a fresh perspective on the multifaceted collaboration of ideas and practices that exists between Israel and America Promised Lands North and South ,2024-03-25 This book puts two of the most significant Jewish Diaspora communities outside of the U S into conversation with one another At times contributor pairs directly compare unique aspects of two Jewish histories politics or cultures At other times they juxtapose Some chapters focus on literature poetry theatre or sport others on immigration antisemitism or health Taken together the essays in Promised Lands North and South offer sparkling insight and new depth on the modern Jewish global experience
