The Employed Wife Earning A Living Making A Home A Christian Perspective:

The Employed Wife Lenore Buth, 1986 Encourages employed Christian wives to assess their dual roles as wife and wage earner Includes practical applications of scriptural principles **Biblical Counsel** ,1993 **New Books on Women and Feminism** ,1988 **Women in Magazines** Rachel Ritchie, Sue Hawkins, Nicola Phillips, S. Jay Kleinberg, 2016-02-19 Women have been important contributors to and readers of magazines since the development of the periodical press in the nineteenth century By the mid twentieth century millions of women read the weeklies and monthlies that focused on supposedly feminine concerns of the home family and appearance In the decades that followed feminist scholars criticized such publications as at best conservative and at worst regressive in their treatment of gender norms and ideals However this perspective obscures the heterogeneity of the magazine industry itself and women s experiences of it both as readers and as journalists This collection explores such diversity highlighting the differing and at times contradictory images and understandings of women in a range of magazines and women s contributions to magazines in a number of contexts from late nineteenth century publications to twenty first century titles in Britain North America continental Europe and Australia

World Outlook ,1915 *Development in Spirit* Seb Rumsby, 2023-06-06 As state economic policies promote integration under a single logic of modernist development many impoverished groups remain on the margins *Development in Spirit* explores the practices employed by communities on the fringes of such nation building projects Using an everyday political economy lens Seb Rumsby demonstrates how seemingly powerless actors actively engage with larger forces shaping their experience of development in ways that are underexamined but have far reaching consequences Following state led market reforms in the 1980s Vietnam experienced stunning economic transformation But for the Hmong communities of the country s north and central highlands the benefits proved elusive Instead the Hmong people have pursued their own alternative paths to development Rumsby shows how mass conversion to Christianity led to a case of unplanned development that put the Hmong on a trajectory of simultaneous integration into the market economy and resistance to state authority Many of the strategies community members employ are tied to the Christianization of everyday life Religious actors play complex and often contradictory roles in facilitating networks of exchange challenging or enforcing gender norms promoting

communalism and enforcing discipline and shaping local ideas about progress They are influenced by national and transnational religious networks especially US produced radio broadcasts by Hmong American Christians and local converts This compelling account provides fresh theoretical and empirical insights into the interplay of religion neoliberal development and marketization across the world **Outlook and Independent** ,1922 **Church missionary gleaner [afterw.] C.M.S. gleaner [afterw.] The Church missionary outlook [afterw.] The C.M.S. outlook** Church missionary society,1863 *Railway Conductors' Monthly* ,1898 **The Railway Conductor** ,1898 **Labor-management Relations in the Southern Textile Manufacturing Industry** United States.
