**The Empress of Elsewhere** Theresa Nelson, 2000 When he and his younger sister agree to help their wealthy elderly neighbor care for the capuchin monkey that keeps getting away from her Jimmy also helps the woman's troublesome granddaughter deal with secrets from her family's past *Empresses and Consorts* Shou Chen, Songzhi Pei, 1999-01-01 Here rendered into English for the first time these chapters provide important insights into the worlds of palace women and court politics while revealing much about the lives of upper class women in general at the close of the third century **BOOK JACKET**

*An Englishman in Paris* Albert Dresden Vandam, 2018-01-03 Reproduction of the original **Grammar in Use across Time and Space** Misumi Sadler, 2007-11-06 This monograph contains the first systematic investigation of the Japanese dative subject construction across time and space It demonstrates that in order to capture what speakers/writers know about how to put an utterance or a clause together it is necessary to pay attention to what they do in actual language use and in different discourse types The work also shows the importance of diachronic perspectives to help us better understand the ways in which a particular grammatical structure is represented synchronically By utilizing modern Japanese conversation contemporary Japanese novels and a pre-modern and modern Japanese literature corpus the study highlights the role of dative subjects at the semantic and discourse/pragmatic levels Specifically it demonstrates that what has been considered to be a most grammatical aspect of Japanese actually turns out to be rather pragmatically oriented *Surrender to the Will of the Night* Glen Cook, 2010-11-23 Piper Hecht's first and greatest secret is that he knows how to kill gods What's not a secret is that he knows how to win wars Hecht's secrets make him dangerous but his skill and his reputation put him in danger from his enemies who fear what he might do or who want revenge for what he has already done and from his friends who want to use his military gifts for their own purposes His sister Heris and his living ancestor Cloven Februaren the Ninth Unknown have made Hecht part of their fight against the return of the dark god Kharoulke the Windwalker At the same time the half-mad Empress Katrin wants Hecht to lead the armies of the Grail Empire eastward on a crusade against his old co-religionists the Praman Meanwhile the world is changing The winters are growing longer and harsher every year and the seas are getting shallower The far north and the high mountain ranges are going under the ice fast The Wells of Power are getting weaker and the old evils the Instrumentalities from the Time Before Time have begun to ooze back into the world *Surrender to the Will of the Night* is the third book in Glen Cook's phenomenal *Instrumentalities of the Night* fantasy series As ever the genius of Glen Cook's storytelling lies in his common touch in soldiers who are like real soldiers in men and women who love and laugh and sweat with real hopes and real fears united only in their determination to face the oncoming night At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Sabina Augusta T.** Corey Brennan, 2018-03-12 Sabina Augusta An Imperial Journey traces the development of Sabina's partnership with her husband the emperor Hadrian reigned 117-138 and shows the vital importance of the empress for Hadrian's own aspirations

Troide,1991-02-01 The years 1774 77 saw Fanny Burney s increasing occupation with Evelina which she finally completed and presented to the publisher Thomas Lowndes Like her novel the journals and letters of this period reveal her artistic powers as she continues to sketch characters with economy and precision and create convincing narratives out of the events of her life Among the more memorable figures she meets at her father s London house are the noble savage Omai the first Tahitian brought back to England the famed explorer James Abyssinian Bruce who returned from Africa with tales of natives who ate raw flesh and Prince Aleksei Orlov of Russia who had Czar Peter III murdered in order to permit Peter s wife Catherine the Great to ascend the throne Other notable figures include Dr Samuel Johnson and the great singer Lucrezia Agujari admired by Mozart Also in these pages the usually diffident Miss Burney takes charge of her destiny by rebuffing her suitor Thomas Barlow who has wealth education good looks and the vehement approval of most of her family but whom she finds a total bore The journals and letters of Fanny Burney are an invaluable source for anyone interested in the social and literary history of late eighteenth and early nineteenth century England Lars Troide has supported the texts with thorough and detailed annotations      The United States Medial Investigator. around the great changes that were in the air But when the French Revolution came they found themselves condemned to poverty exile and in some cases execution Telling the parallel lives of these dazzling but little remembered historical figures Craveri brings the past to life powerfully dramatizing a turbulent time that was at once the last act of a now vanished world and the first act of our own
