The Empty Copper Sea John D. MacDonald, 2013-09-10 From a beloved master of crime fiction The Empty Copper Sea is one of many classic novels featuring Travis McGee the hard boiled detective who lives on a houseboat Asking for help is something a proud man like Van Harder would never do So when he shows up at the Busted Flush Travis McGee knows that he must be the man's last resort What Harder wants salvaged is his reputation After a long career as a seaman he was piloting a boat the night his employer fell overboard Harder is certain he's been set up but to help him McGee must prove that a dead man is actually alive John D MacDonald is a shining example for all us in the field Talk about the best Mary Higgins Clark The fateful ride started with Harder at the helm of Hubbard Lawless's luxury cruiser It ends with him coming to fuzzy and disoriented and Hub lost to the water Now everyone is saying that Harder got drunk passed out and is negligent in his boss's death The thing is Van's not a drinker at least not anymore Who would want to frame the good captain and to what end Dead or alive Lawless is worth a lot of money People are always eager to get a piece of that action including some as McGee soon finds who are willing to take a piece out of anyone who gets in their way Features a new Introduction by Lee Child
