Re-enchanting the Text Cheryl Bridges Johns, 2023-05-16 In an age when the Bible has been stripped of its sacredness and functional biblical illiteracy reigns this book makes the case that we must work to re-enchant the text in order to return the Bible to its rightful place in the lives of Christians Cheryl Bridges Johns explains how the Enlightenment's turn to the rational human subject made it possible to objectify the Bible and has distorted our interpretations of Scripture This move generated a belief that studying the Bible was primarily a means of supporting facts and providing evidence of competing visions of reality This modern version of the Bible does not trouble our nights with apocalyptic images It has been stripped of its power She also shows that both liberal and fundamentalist interpretation are failed forms of disenchanted readings Johns argues that we must rediscover the Bible as a sacred dangerous mysterious and presence-filled wonderland to counteract biblical illiteracy in an increasingly post-Christian landscape Music, 1893 Catalog of Copyright Entries.
